ANSWER

वाणिज्य एवं उद्योग मंत्री (श्री पीयूष गोयल)

**THE MINISTER OF COMMERCE & INDUSTRY
(SHRI PIYUSH GOYAL)**

(a) to (d): A statement is laid on the table of the House.

**STATEMENT REFERRED TO IN REPLY OF PARTS (a) to (d) OF LOK SABHA
STARRED QUESTION NO. 26 FOR ANSWER ON 21.07.2026.**

(a) to (d): Industries is a State subject. Both the Central Government and the State Governments implement various policies and programmes to create an enabling eco-system for the development of the industrial sector in the country.

As reported by the Government of Maharashtra, there are 08 industrial areas in Kolhapur district namely Shirol, Gokul Shirgaon, Gokul Shirgaon (Isolated), Kagal Hatkanangale Five Star, Gadhinglaj, Ajara, Halkarni and I.T. Park, Kolhapur. Against the total allotted area of 1,159.06 hectare, 2866 units are operational, providing reported employment to 64,741 persons.

The Government of Maharashtra has further informed that the following industrial areas have been de-notified:

Bhudargad Industrial Area (Akurde, Shenggaon, Hedwade, Devakiwadi)	52.82 Hectare (De-notified on 21.08.2025)
Shahuwade Industrial Area (Warul, Lonane)	61.64 Hectare (De-notified on 16.06.2026)

The Maharashtra Industrial Development Corporation (MIDC) has informed that there is no specific proposal for incentivizing Foundry-Engineering or Textile manufacturing units to occupy underutilized plots in Kolhapur MIDC industrial areas. To promote timely utilization of allotted industrial plots, MIDC has issued Circular No. C-05579 dated 21.06.2019, under which every plot allotted after the date of the circular is required to utilize at least 40 percent of the permissible Floor Space Index and obtain the Building Completion Certificate within the stipulated period.

For the textiles industries, the Ministry of Textiles has informed that under the Scheme for Integrated Textile Parks (SITP), four textile parks have been developed in Kolhapur district. These parks have 387 operational units providing employment to 15,639 persons.

With regard to the Production Linked Incentive (PLI) Schemes, no proposal for extension of the Scheme specifically to medium-scale engineering and foundry industries in the Kolhapur industrial belt is under appraisal. The PLI Schemes have been implemented for 14 notified sectors.

The Government of Maharashtra has informed that the Package Scheme of Incentives (PSI) is implemented with the objective of promoting balanced industrial development across the State. Under the applicable Package Scheme of Incentives, eligible industrial units engaged in the manufacturing sector, including the engineering and foundry industries (MSME, Large Scale Industries, Mega and Ultra Mega) are eligible for fiscal incentives such as Industrial Promotion Subsidy, Interest Subsidy, Stamp Duty Exemption, Electricity Duty Exemption, Power Tariff Subsidy, and other admissible benefits, subject to the provisions of the applicable Package Scheme of Incentives.

Under the Package Scheme of Incentives-2019, the Government of Maharashtra has sanctioned incentives amounting to 7697.35 crore to 53 medium-scale industrial units in Kolhapur district. These units operate across diverse sectors, including automobile components, foundry, textiles, and other manufacturing industries, thereby supporting industrial growth, employment generation, and balanced regional development.

The Government of Maharashtra has declared Maharashtra Industries, Investment and Services Policy, 2025 on 31.12.2025 which aims to generate close to 50 lakh direct jobs during the policy period.
