Important Instruction for E-Procurement

Bidders are requested to read the terms and conditions of this application before submitting your online application.

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

<https://etenders.gov.in/eprocure/app>

Process of e- tender:

A) Registration:

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://etenders.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrollment” on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS:

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS:

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is

subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

9) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

1. Part I and of the tender will be opened at 02:00 PM onwards of 22.09.2026 and Part II of the tender will be opened on the same day or at a later date and prior intimation in this regard will be sent to all the eligible vendors. Tenders shall remain valid for acceptance by the Bank for a period of three months from the date of opening of Part I of the tender which period may be extended by mutual agreement and the tenderer shall not cancel or withdraw the tender during this period. The price bid will remain valid till 100 days from the date of opening of Part – II.
2. Digital Signatures may be used to submit the tender in token of his/their acquainted himself/themselves with the General Conditions of Contract, Specifications, Special Conditions, etc. as laid down.
3. If any of the document is missing, the tender may be considered invalid by the Bank at its discretion. No advice of any change in rate or conditions after the opening of the tender will be entertained.
4. Proof of remittance with transaction number (Scanned copy) shall be attached/ uploaded. The bidders are also advised to send the proof of remittance with transaction number (scanned copy) to estatepatna@rbi.org.in.
5. The Reserve Bank of India does not bind itself to accept the lowest or any tender and reserves to itself to accept or reject any or all the tenders, either in whole or in part, without assigning any reason for doing so.
6. The Reserve Bank of India reserves the right to sub-divide the work mentioned in the tender, amongst two or more contractors at its own discretion and the Contractor will have to execute orders for part of the items placed with them at the quoted rates. The Reserve Bank of India also reserves the right to increase or decrease the quantities and even omit any item of work after the order is placed and the Contractor shall execute the same. In this context, the rates quoted for each item must be self-supporting and relevant.

7. Contract Agreement: On receipt of intimation from the Bank of the acceptance of his/their tender, the successful tenderer shall be bound to implement the contract within fourteen days thereof. The successful tenderer shall sign an agreement in accordance with the draft agreement and the Schedule of Conditions but the written acceptance by the Reserve Bank of India of a tender will constitute a binding contract between the Reserve Bank of India and the person so tendering whether such formal agreement is or is not subsequently executed.
8. The Contractor shall not assign the Contract: He shall not sublet any portion of the Contract except with the written consent of the Bank. In case of breach of these conditions, the bank may serve a notice in writing on the contractor rescinding the Contract whereupon the security deposit shall stand forfeited to the Bank, without prejudice to his other remedies against the contractor.
9. The Contractor shall carry out all the work strictly in accordance with Drawings, details and instructions and Bank's Engineer. If in the opinion of the Bank's Engineer changes have to be made in the design and with the prior approval in writing of the Bank they desire the Contractor to carry out the same, the contractor shall carry out the same without any extra charge. The Bank's decision in such cases shall be final and shall not be open to arbitration.
10. A Schedule of probable quantities in respect of each work and specifications accompany these special conditions. The Schedule of probable quantities is liable to alteration by omissions, deductions or addition at the discretion of the Bank. Each tender should contain not only the rates but also the value of each item of work entered in a separate column and all the items should be totaled in order to show the aggregate value of the entire tender.
11. The tenderer, being considered for award of work, should accept to submit with the Bank, a bank (financial) guarantee (to be issued by any Schedules Commercial Bank) (as per the enclosed format) for some specified amount (caution money) for due performance of their contract, if awarded, in respect of the low / abnormally low / unworkable rates, items of work. The submission of such bank guarantee will be a pre-condition for award of work.
12. The tenderer must obtain for himself, on his own responsibility and at his own expenses, all the information which may be necessary for the purpose for making a tender and for

entering into a contract and must examine the Drawings and must inspect the site of the work and acquaint himself with all local conditions, means of access to work, nature of work and all matters appertaining thereto.

13. **The rates for the items in Part II should be quoted inclusive of GST.** Each invoice/bill shall indicate amongst other things, the contractor's PAN and GST Registration Number. The Contractor shall also produce to the Bank adequate proof of remittance of GST within a reasonable time from remittance. The contract value will also be subject to TDS/Withholding Tax as per law.

14. a) The rates quoted in the tender shall include all charges for supply, installation (assembly), testing, packing, handling and transport for all supplies. The rates shall include storage, watch and ward, temporary structures, lighting at night, tools and tackles, labour and other services for erection and commissioning works.

b) The rates shall also be firm and shall not be subject to exchange variations, labour Condition, fluctuations in railway freights or any conditions whatsoever.

15. **Prices of extras etc and ascertainment:**

a) The contractor may, when authorized and shall, when directed in writing by the Bank add to, omit from or vary the works shown upon the drawings, or described in the Specifications, or included in the Schedule of Quantities, but the Contractor shall make no addition, omission or variation without such authorization or direction. A verbal authority or direction by the Bank shall if, confirmed in writing within seven days, be deemed to have been given in writing. No claim for an extra shall be allowed unless it is executed with the written approval of the Bank. Any such extra is herein referred to as 'Authorized extra' and payment shall be made in accordance with the flowing provisions;

i) The net rates or prices in the original tender shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced therein. Rates for all items wherever possible shall be derived out of the rates given in the Priced Schedule of Quantities.

ii) The net prices of the original tender shall determine the value of the items omitted, provided if omissions vary the conditions under which any remaining items of works are carried out, the prices for the same shall be valued under sub-clause (iii) hereof.

iii) Where the extra works are not of similar character and/ or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative to the amount of the whole of the Contract works or to any part thereof shall be such that in the opinion of the Bank's Engineer, the net rate or price contained in the Priced Schedule of Quantities or tender or for any item of the works involves loss or expense beyond that reasonably contemplated by the Contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Bank's Engineer shall fix such other rate or price as in the circumstances he shall think reasonable and proper.

iv) Where extra work cannot be properly measured or measured or valued the Contractor shall be allowed day work prices as the net rates stated in the tender or the Priced Schedule of Quantities if not so stated, then in accordance with the local day work rates and wages for the district provided that in either case vouchers specifying the daily time (and if required by the Bank, the workmen's names) and materials employed be delivered for verification to the Bank or his representative at or before the end of the week following that in which the work has been executed. It is further clarified that for all such authorized extra items where rates cannot be derived from tender, the contractor shall submit rates supported by rate analysis worked on the 'actual cost basis', plus 15% towards establishment charges, contractor's overheads and profit. Such items will not be eligible for escalation.

(b) The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. However, during the actual execution of work if the quantities of any of the items of work exceeds by more than 25% of the tender quantities, the quantities of such items executed, by the authority of Bank's Engineer, in excess of 25% of the tender quantity shall be considered as an extra item of work for which the contractors shall submit fresh rates supported by rate analysis worked on the actual cost basis plus 15% towards establishment charges, contractor's over heads and profit. The rates for all such items of work, being current ones, will not be eligible for price adjustments due to increase or decrease in prices of materials and labour rates as per escalation formula, if any given in the tender. If any of

the items of work is omitted from the accepted tender at the sole discretion of the Bank, the contractor shall not be entitled to any claim on this account.

16. Liquidated damages for delayed completion:

"If the Contractor fails to complete the work by the date as stipulated in the Contract or within any extended time under relevant Clause and the Bank certifies in writing that in her/ his opinion the same ought reasonably to have been completed, the Contractor shall pay the Bank the sum named as "Liquidated Damages" for the period during which the said works shall so remain incomplete and the Bank may deduct such damages from any moneys due to the Contractor." The recovery of Liquidated Damages (LD) will be at the rate of 0.25% of the cost of work executed per week with a cap of 10% of the accepted tender amount.

17. The Contractor shall not be entitled to any compensation for any loss suffered by him on account of delays in commencing or executing the work, whatever the cause of delays may be, including delays arising out of modifications to the work entrusted to him or in any sub-contract connected therewith or delays in awarding contracts for other trader of the project or in commencement or completion of such works or in procuring Government controlled or other building materials or in obtaining water and power connections for construction purpose or for any other reason whatsoever and the Bank shall not be liable for any claim in respect therefore. The Bank does not accept liability for any sum besides the tender amount, subject to such variations as are provided for herein.

18. The successful tenderer is bound to carry out any items of work necessary for the completion of the job even though these items are not included in the quantities and rates. The Bank will issue schedule of instructions in respect of such additional items and their quantities in writing.

The successful tenderer must co-operate with the other contractors appointed by the Bank so that the work shall proceed smoothly with the least possible delay and to the satisfaction of the Bank.

19. **Defects Liability Period:** Any defect or fault which may appear during **12 months** from the date of virtual completion of work/or supply and installation in full as specified under the contract, arising in the opinion of the Bank's Engineer from materials or

workmanship not in accordance with the contract, shall upon the directions in writing of the Bank's Engineer, and within such reasonable time as shall be specified therein, be amended and made good by the Contractor at his own cost and in case of default the Bank may employ and pay other persons to amend and make good such defects/faults and damages, loss and expenses consequent there upon or incidental thereto shall be made good and borne by the contractor and such damages, loss and expenses shall be recoverable from him by the Bank, or may be deducted by the Bank upon the Bank's Engineers' certificate in writing from any money due or that may become due to the contractor. The contractor/supplier shall remain liable under the provisions of this clause notwithstanding the signing by the Bank's Engineer any certificate or passing of any accounts. RMD and PBG amount will be returned after completion of DLP period or after rectification of any defects found during DLP period.

20. **Stipulated time for completion of work:** Time is the essence of the contract. The entire work is to be completed within a period of **75 days**. The Contractor is advised to visit the site and get himself fully acquainted with the general and local site conditions, particularly, those having bearing upon transportation, handling, storage etc. prior to quoting the tender. The material required for the work will have to be delivered and executed in RBI Patna.

21. **Materials to conform to specifications** - Tests on Materials work etc.

i). All materials and workmanship shall, so far as procurable, conform strictly to requirements in accordance with the schedule of quantities and instructions of Bank's Engineers and the contractor shall, upon the request of the Bank's Engineer, furnish proof to his satisfaction that they so conform and if required shall also furnish all invoices, accounts, receipts and other vouchers for this purpose.

ii) The contractor shall place orders for all materials required in time and in any case not later than the dates fixed in the approved programme. Wherein the matter of procurement of such materials as are collected or the distribution of which are regulated by Government, Central or Local, or by any other Central/State Authority, the Bank is obliged to issue any certificate or sign applications for license or permit, by virtue of orders of such Government or authority or by custom or practice, it shall be the sole responsibility of the contractor to arrange for all the formalities to be completed in time and follow up the matter with the concerned authorities and the installations according to the approved programme, and the Bank will not assume

any responsibility for delays in this regard nor for the payment of fines, penalties, demurrage and so forth due to the contractor not taking timely action in the process of procurement. The contractor shall not raise any plea, quoting delays in the completion of the formalities or of delays by the authorities concerned for any compensation whatsoever.

iii). However, the contractor shall, before he place orders for supply, furnish to the Bank's Engineer at his own expense, samples of materials including patented products and those under specific makes, proposed to be used in the works, well in time, notwithstanding prior approval by Bank's Engineer/Bank of such products and makes; such prior approval shall not constitute a waiver of the rule regarding approval of samples. In all cases when makers/manufacturers have test certificates for their goods/articles/ products/ processes/equipment, Photostat copies of such test certificates shall be produced by the contractor along the samples.

iv). The Bank's Engineer will, within two weeks of the date of supply of samples or within such further period, as it may depending upon each case, require to intimate to contractor whether the samples are approved by him or not. If samples are not approved, the contractor shall forthwith arrange to supply to the Bank's Engineer for his approval, fresh samples complying with the specifications.

v). The approved samples, bearing distinct marks of identification of such approval, shall be displayed by the contractor, at his own expense, prominently at the site, during the entire construction period, and for one month after the date of virtual completion of the work, for inspection/verification by the Bank's Engineer/Bank, without any charge accruing to him (contractor) the approved samples remaining in the safe custody of the contractor till they are so handed over to the Bank.

vi). The contractor shall indemnify the Bank or any agent servant or employee of the Bank against any action, claim or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties or other charges which may be payable in respect of any article or material or part thereof included in the contract. In the event of any claims being made or action being brought against the Bank in respect of any such matter as aforesaid, the contractor shall immediately be notified thereof. Provided that such indemnity shall not apply when such infringement has taken place in complying with specified direction issued by the Bank or the Bank's Engineer in connection with the contract, but the contractor shall pay any royalties or other charges payable in respect of any such

use, the amount so paid being reimbursed to the contractor only if the use was the result of any specifications issued after conclusion of the contract.

vii). The Bank's Engineer shall be entitled to have tests carried out on the work or its parts or material accessories, either during its progress or on competition, where and when deemed necessary or on any materials to be incorporated in the work/installation supplied by the contractor or otherwise, notwithstanding that the work or its parts or accessories or the said materials have been accepted and passed/passed for incorporation.

viii). The scope of the clause regarding test will cover not only materials/articles of everyday use and of ordinary description but also patented products and those under specific makes, notwithstanding that satisfactory test certificates from makers/manufacturers have been produced in accordance with sub clause-iii above.

ix). The contractor shall also arrange for necessary field tests to be carried out in the case of materials/articles of everyday use and of ordinary description regularly under the directions and in the presence of the Bank's Engineer/Bank's representative to determine the suitability of such items for use in the work.

x). The contractor shall maintain at the site comprehensive registers, posted up to date, showing the nature of the materials/articles/goods, their identification marks, dates and the results of all tests. Such registers shall be got countersigned by the representative of the Bank's Engineer/Bank at site and extracts from registers shall regularly be posted to the Bank's Engineer and the Bank. The form of registers shall be mutually settled.

26.Electricity and Water Charges

Electricity and storage Arrangement and cost of water & electricity required for the work shall be done by the contractor at their cost. However, the Bank may also consider allowing to contractor to take the water (in case if water supply with Bank is sufficient during the work). An electricity from the Bank's premises and for these purpose water charges @0.75 % and electricity charges 0.25% of total value of work done shall be deducted from all the bills & contractor has to arrange for suitable length electric wire /cable, extension boards with a cut out. The cutting machine etc. shall be arranged by the contractor as per load of the Bank's meter and wires in case, if they are to take use of electricity from Bank's common area. In case if any damage of electric lines / electric meter/ electric panel, is observed due to this work, the contractor has to make it good at his own cost, failing on which the Bank will recover the cost of damages from the bill / security deposit of the contractor without further under

advice of the contractor. The materials should be stored at designated places which may be at any location inside the premises of the Bank.

27. The successful tenderer shall carry out of each item of work given in the Schedule of Quantities and get the same approved from Bank's Engineer before going for full execution of the work given in the order. Any minor modifications/changes suggested by the Bank's Engineer should be affected without any extra cost.

28. Wherever the basic rate for the material is specified, the contractor should furnish to the Bank for verifications all the paid bills. The purchase rate shall be got approved from the Bank's Engineers before purchasing such materials. The adjustment in price of the materials shall be made only on the measured quantity with 15% towards Over heads and profit (plus or minus).

29. The basic prices are ex –go down inclusive of excise duty, sales tax, octroi and all other duties levied by the Government or any public body. The contractor shall consider factors such as transport, handling, loading and unloading etc while quoting the rates for such items.

30. The contractor should quote rates in the Schedule of Quantities considering all the conditions mentioned above and elsewhere in the tender.

31. The successful tenderer may please note that, the Bank will deduct the amount on account of Work Contract tax, VAT, education cess and the income tax including surcharge etc., if any, from the running a/c. bills as per the orders of State / Central Government.

32. The Bank or any of his authorized representatives shall have the power to reject and/or refuse any materials of doubtful quality and workmanship

33. Defective Materials: Any defects or faults in the materials supplied and in the work done by the contractor which may appear during execution of the work or within twelve months shall, upon the discretion of the Bank's Engineer be replaced or set right by the Contractor at his own cost within seven days of receiving such directions. The Bank reserves the right to get the work executed/ work examined by other Government or Private Agency and the directions of such agency shall also be binding on the Contractor.

34. Approval of Samples: Contractor shall have to produce a sample of each item for the approval of the Bank's Engineer, which does not mean that the Contractor is relieved of his

obligations about the specifications and other stipulations in the contract. No separate payment will be made to the Contractor for this.

35.The work shall be carried out in such a manner that there shall be minimum disruption to Occupants of the building. A programme shall be drawn in consultation with the Banks Engineer for this purpose.

36.The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. No claim shall be entertained on this account. The contractor shall bring to the notice of the Bank in case of any extra items not mentioned in the schedule of quantities during the course of the work and shall only carry out the same on written approval from the Bank's Engineer.

37.Time allowed for carrying out the work as mentioned in the Memorandum shall be strictly observed by the Contractor and it shall be reckoned from the 14th day after written order to commence the work is issued. The work shall throughout the stipulated period of the contract, be proceeded with all due diligence. If the contractor fails to complete the work within the specified period, he shall be liable to pay compensation as defined in clause 21 of the conditions of contract. The tenderer shall before commencing work, prepare a detailed work programme which shall be approved by the Bank.

38.The Contractor must bear in mind that all the work shall be carried out strictly in accordance with the specifications and also in compliance of the requirement of the legal public authorities and no deviation on any account will be permitted.

39.The successful tenderer should make with own arrangements to obtain all materials required for the work.

40.The Contractor shall strictly comply with the provision of safety and fire safety code annexed hereto.

The contractor on the signing hereof shall be furnished free of cost one copy of each of the said Drawings and of specifications and one copy of all further Drawings issued during the progress of the works. Any further copies of such Drawings required by the Contractor shall be paid for by him. The contractor shall keep one copy of all Drawings on the works and Bank's Engineer or his representative shall at all reasonable times have access to the same. Before the issue of the final certificate to the Contractor he shall forthwith return to the Bank's Engineer all Drawings and Specifications.

4. The Contractor shall provide at his cost everything necessary for the proper execution of the works according to the intent and meaning of the Drawings, Schedule of Quantities and specifications taken together, whether the same may or may not be particularly shown or described therein provided that the same can reasonably be inferred therefrom, and if the Contractor finds any discrepancy in the Drawings or between the Drawings, Schedule of quantities and Specifications, he shall immediately and in writing refer the same to the Bank's Engineer, who shall decide which is to be followed.

5. **Authorities, notices and patents**: The Contractor shall conform to the provisions of any Act of the Legislature relating to the works, and to the regulations and bye-laws of any authority, and of any water, electricity supply and other companies and/or authorities with whose system the structure is proposed to be connected, and shall, before making any variations from the Drawings or Specifications that may be necessitated by so conforming, give to the architect written notice, specifying the variation proposed to be made and the reason for making it and apply for instructions thereon. In case the Contractor shall not within ten days receive such instructions he shall proceed with the work conforming to the provisions, regulations, or bye-laws in question, and any variation so necessitated shall be dealt with under clause 13 hereof.

The contractor shall bring to the attention of the Bank all notices required by the said Acts, regulations or bye-laws to be given to any authority and pay to such authority or to any public office all fees that may be properly chargeable-in respect of the works and lodge the receipts with the Bank.

The Contractor shall indemnify the Bank against all claims in respect of patent rights, and shall defend all actions arising from such claims and shall himself pay all royalties, license fees, damages cost and charges of all and every sort that may be legally incurred in respect thereof.

6. **Setting out of work**: The contractor shall set out the works and shall be responsible for the true and perfect setting out of the same and for the correctness of the positions levels, dimensions and alignment of all parts thereof. If at any time any error in this respect shall appear during the progress of the works or within a period of one year from the completion of the works, the Contractor shall, if so required, at his own expense rectify such error to the satisfaction of the Bank's Engineer.

7. **Materials and Workmanship to conform to description**: All materials and workmanship shall so far as procurable be of the respective kinds described in the Schedule of Quantities and/or specifications and in accordance with the contract and the Contractor shall furnish to the Bank with all invoices, accounts, receipts and other vouchers to prove

that the materials comply therewith. **The Contractor shall at his own cost arrange for and/or carry out any test of any materials.**

8. **Contractor's superintendence and representative on the works**: The Contractor shall give all necessary personal superintendence during the execution of the works and so long thereafter as the Bank may consider necessary until the expiration of the "Defects Liability Period" stated in the Appendix hereto. The contractor shall, also during the whole time the works are in progress employ a competent representative who shall be constantly in attendance at the works while the men are to work. Any directions, explanations, instructions or notice given by the Bank's Engineer to such representative shall be held to be given to the Contractor.

9. **Dismissal of workmen**: The Contractor shall on the request of the Bank's Engineer immediately dismiss from the works any person employed thereon by him who may, in the opinion of the Bank's Engineer, be incompetent or misconduct himself and such persons shall not be again employed on the works without the permission of the Bank's Engineer.

10. **Access to works**: The Bank, shall at all reasonable times, have free access to the works and/or to the workshops, factories or other places where materials are lying or from which they are being obtained and the Contractor shall give every facility to the Bank necessary for Inspections and examination and test of the materials and workmanship. No person not authorized by the Bank except the representatives of public authorities shall be allowed on the works at any time.

11. **Assistant Manager (Tech)/Manager (Tech)/Assistant General Manager(Tech)**: The term "Assistant Manager (Tech)/ Manager(Tech)/ Assistant General Manager(Tech)" shall mean the person appointed and paid by the Bank to inspect the works. The Contractor shall afford the Assistant Manager (Tech.)/ Manager (Tech) / Assistant General Manager (Tech) every facility and assistance for inspecting the works and materials and for checking and measuring time and materials.

The Assistant Manager (Tech.) / Manager (Tech) / Assistant General Manager (Tech), or the Bank shall have power to give notice to the Contractor or to his representative of non-

approval or any work or materials and such work shall be suspended or the use of such materials shall be discontinued. The work will from time to time be examined by the Assistant Manager (Tech.) / Manager (Tech) / Assistant General Manager (Tech) but such examination shall not in any way exonerate the Contractor from the obligation to remedy any defects, which may be found to exist at any stage of the works or after the same is completed. Subject to the limitations of this clause the Contractor shall take instructions only from the Bank's Engineer.

12. No alteration, omission or variation shall vitiate this contract but in case the Bank's Engineer thinks proper at any time during the progress of the works to make any alterations in, or addition to, or omissions from the works or any alteration in the kind of quality of the materials to be used therein and shall give notice thereof in writing under his hand to the Contractor, the Contractor shall alter, add to, or omit from, as the case may be, in accordance with such notice, but the contractor shall not do any work extra to or make any alterations or additions to or omissions from the works or any deviation from any of the provisions of the Contract. Stipulations, specifications or Contract Drawings without the previous consent in writing of the Bank and the value of such extras alterations, additions or omission shall, in all cases, be determined by the Bank in accordance with the provisions of Clause 17 hereof, and the same shall be added to, or deducted from the Contract Amount, as the case may be accordingly.

13. **Schedule of Quantities**: The Schedule of quantities, unless otherwise stated shall be deemed to have been prepared in accordance with the Standard Method of Measurement.

Any error in description or in quantity or in omission of items from the schedule of quantities shall not vitiate this contract but shall be rectified and the value thereof, as ascertained under Clause 16 hereof, shall be added to, or deducted from the Contract Amount (as the case may be) provided that no rectification of errors, if any, shall be allowed in the Contractor's schedule of rates.

14. **Sufficiency of Schedule of Quantities**: The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the prices stated in the Schedule of Quantities and/or the schedule of rates

and prices which rates and prices shall cover all his obligations under the contract, and all matters and things necessary for the proper completion of the works.

15. **Measurement of works**: The Bank's Engineer may, from time to time, intimate to the contractor that he requires the works to be measured, and the Contractor shall forthwith attend or send a qualified agent to assist Assistant Manager (Tech) / Manager (Tech) / Assistant General Manager (Tech) in taking such measurements and calculations and to furnish all particulars or to give all assistance required by any of them.

Should the Contractor not attend or neglect or omit to send such agent then the measurement taken by the Bank's Engineer or a person approved by him shall be taken to be correct measurement of the works. Such measurements shall be taken in accordance with the Mode of Measurements detailed in the Specifications.

The Contractor or his Agent may at the time of measurement take such notes and measurement as he may require.

All authorized extra works, omissions and all variations made with the prior approval in writing of Bank shall be included in such measurements.

16 Unfixed materials when taken into account to be the property of the Bank

Where in any certificates (of which the Contractor has received payment) the Bank's Engineer has included the value of any unfixed materials included for and/or placed on or adjacent to the works such materials shall become the property of the Bank and they shall not be removed except for use upon the works, without the written authority of the Bank. The Contractor shall be liable for any loss of, or damage to, such materials.

17 **Removal of improper work** : The Bank shall, during the progress of the works, have power to order in writing from time to time the removal from the works within such reasonable time or times as may be specified in the order of any materials which in the opinion of the Bank's Engineer are not in accordance with the Specifications, the substitutions of proper materials, and the removal and proper re-execution of any work executed with materials or workmanship not in accordance with the drawings & specifications or instructions and the contractor shall forthwith carry out such order at his own cost. In case of default on the part of Contractor to carry out such order, the

Bank shall have the power to employ any pay other persons to carry out the same; and all expenses consequent thereon, or incidental thereto, shall be borne by the Contractor, or may be deducted by the Bank from any moneys due, or that may become due, to the Contractor.

18 Defects after virtual completion : Any defect, shrinkage, settlement or other fault which may appear within the "Defects Liability Period" stated in the Appendix hereto, or, if none stated them within twelve months after the virtual completion of the works, arising in the opinion of the Bank from materials of workmanship not in accordance with the contract, shall upon the direction in writing of the Bank, and within such reasonable time as shall be specified therein, be amended and made good by the Contractor, at his own cost and in case of default the Bank may employ and pay other persons to amend and make good such defects, shrinkage settlements or other faults, and all damages loss and expenses consequent thereon are incidental thereto shall be made good and borne by the Bank or may be deducted by the Bank, upon the Bank's Engineer's Certificate in writing, from any money due or that may become due to the Contractor, or the Bank may in lieu of such amending and making good by the Contractor deduct from any money due to the Contractor a sum, to be determined by the Bank equivalent to the cost of amending such work and in the event of the amount retained under clause 30 hereof being insufficient, recover the balance from the Contractor, together with any expenses the Bank may have incurred in connection therewith. Should any defective work have been done or materials supplied by any sub-contractor employed on the works who has been nominated as provided under clause 21 hereof, the contractor shall be liable to make good in the same manner as if such work or material had been done or supplied by the Contractor and been subject to the provision of this clause and clause 7 hereof. The contractor shall remain liable under the provisions of the clause notwithstanding the signing of any certificate or the passing of any accounts by the Bank.

19 Completion certificate: The works shall not be considered as completed until the Bank's Engineer has certified in writing that they have been virtually completed. The defects liability period shall commence from the date of such certificates.

20. Within 10 days of the completion of the work, the contractor shall give notice of such completion to the Bank's Engineer and within 90 days of the receipt of such notice, the Bank's Engineer shall inspect the work and if there is no defect in the work, shall furnish the contractor with a certificate of completion, otherwise a provisional certificate of completion indicating defects (a) to be rectified by the contractor and/or (b) for which payment be made at reduced rates shall be issued. But no certificate of completion, provisional or otherwise shall be issued, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work was executed all scaffolding, surplus materials, rubbish, temporary shed been erected or constructed by the contractor(s) and cleared off the dirt from all work, doors, windows, walls, floors or other parts of any building, in, upon or about which the work was executed, or of which he may have had possession for the purpose of the execution thereof, and not until the work shall have been measured by the Bank's Engineer.

21 Nominated Sub-Contractor: All Specialists, Merchants, Tradesmen and others executing any work of supplying and fixing any goods for which the prime cost prices or provisional sums are included in the Schedule of Quantities and/or Specifications who may be nominated or selected by the Bank or hereby declared to be sub-contractors employed by the contractor and are herein referred to as nominated sub-contractors.

No nominated sub-contractors shall be employed on or in connection with the works against the Contractor shall make reasonable objection are (save where the Architect and the Contractor shall otherwise agree) who will not enter into contract providing.

- (a) That the nominated sub-contractor shall indemnify the contractor against the same obligation in respect of the sub-contract as the contractor is under in respect of this contract.
- (b) That the nominated sub-contractor shall indemnify the contractor against claims in respect of any negligence by the sub-contractors his servants or agents or any misuse by him or them or any scaffolding or other plant, the property of the Contractor or under any Workmen's Compensation Act in force.
- (c) Payment shall be made to the nominated sub-contractor within fourteen days of his receipt of the Bank's Certificate provided that before any Certificate is issued the Contractor shall upon request furnish to the Bank proof that all nominated sub-contractors accounts

included in previous certificates have been duly discharged; in default whereof the Bank may pay the same upon a Certificate of the Bank and deduct the amount thereof from any sums due to the Contractor. The exercise of this power shall not create private of contract as between Bank and Sub-Contractor.

22 Other persons employed by Bank: The Bank reserves the right to use premises and any portion of the site for the execution of any work not included in this Contract which it may desire to have carried out by other persons, and the Contractor shall allow all reasonable facilities for the execution of such work but shall not be required to provide any plant or material for the execution of such work except by special arrangement with the Bank. Such work shall be carried out in such manner as not to impede the progress of the works included in the Contract and the Contractor shall not be responsible for any damage or delay which may happen to or occasioned by such work.

23 Insurances: The contractor shall be responsible for any injury to persons, animals or things and for all structural and decorative damage to property which may arise from the operation or neglect of himself or of any nominated sub-contractor's employees, whether such injury or damage arise from carelessness, accident or any other case whatever in any way connected with the carrying out of the contract. This clause shall be held to include, inter-alia, any damage to buildings, whether immediately adjacent or otherwise, and any damage to roads, streets, footpaths, bridges or ways as well as all damage caused to the buildings and works forming the subject of this contract, by frost or other inclemency of weather. The contractor shall indemnify the Bank and hold him harmless in respect of all and any expenses arising from any such injury or damage to persons or property as aforesaid and also in respect of any claim made in respect of injury or damage under any Acts of Government or otherwise and also in respect of any award of compensation or damages consequent upon such claims. The contractor shall reinstate all damages of every sort mentioned in this clause, so as to deliver up the whole of the contract works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damage to the property of third parties. The contractor shall indemnify the Bank against all claims which may be made against the Bank by any member of the public or other **third party** in respect of anything which may arise in respect of the works or in consequence thereof and shall at his own expenses arrange to effect and maintain, until the virtual

completion of the contract with an approved office, a policy of insurance in the joint names of the Bank (first name) and the Contractor against such risks and deposit such policy or policies with the Bank from time to time during the currency of this contract. The minimum limit of the coverage under the policy shall be Rs. 2 lakhs per person for any one accident or occurrence and Rs. 5 lakhs in respect of damage to property for any one accident or occurrence. The contractor shall also similarly indemnify the Bank against all claims which may be made upon the Bank whether under the **Workmen's Compensation Act** or any other statutes in force during the currency of this contract or at Common Law in respect of any employee of the contractor or any sub-contractor and shall at his own expense effect and maintain, until the virtual completion of the contract, with an approved office a policy of insurance in the joint names of the Bank (first name) and the Contractor against such risks and deposit such policy or policies with the Bank from time to time during the currency of the contract. The Contractor shall be responsible for anything, which may be excluded from the insurance policies above referred to, and also for all other damages to any property arising of and incidental to the negligent or defective carrying out of this contract. He shall also indemnify the Bank in respect of any costs, charges or expenses arising out of claim or proceedings of damage arising there from. The Bank shall be at liberty and is hereby empowered to deduct the amount of any damage, compensation, costs, charges and expenses arising or occurring from or in respect of any such claims or damage from any or all sums due or to become due to the contractor. In addition to the above, the Contractor shall insure the work and take **CAR (Contractors All Risk) policy** against loss due to fire, theft, earthquake etc., for the entire contract amount with an approved insurance company till the virtual completion of the work and deposit the policy or policies with the Bank before commencing the work. In default of the Contractor insuring as provided above, the Bank may so insure and deduct the premiums paid from any money due or which may become due to the Contractor. In case, if for any reason, the Insurance is not taken, by oversight, by the Bank also and the fact comes to light at a later stage, the Bank shall deduct the premium for the Insurance as assessed by the Bank and the contractor shall accept the same without demur. The contractor shall be responsible for any liability which may not be covered by the insurance policies referred to above and also all other damages to any person, animal or effective carrying out of this contract, whatever may be the reasons due to which the damage shall have been caused. The contractor shall, upon settlement by the insurer of any claim made against the insurer pursuant to a policy taken under this clause,

proceed with the diligence to rebuild or repair the work destroyed or damaged. In this event all the money received from the insurer in respect of such damage shall be paid to the contractor and the contractor shall not be entitled to any further payment in respect of the expenditure incurred for rebuilding or repairing of the materials or goods destroyed or damaged. The contractor, in case of rebuilding or reinstatement after fire etc, shall be entitled to such extension of time for completion as the Bank's Engineer may deem fit, but shall however, not be entitled to reimbursement by the Bank or any shortfall or deficiency in the amount finally paid by the Insurer in settlement of any claim arising as set out herein. Without prejudice to his liability under this clause, the contractor shall cause all nominated subcontractors to effect, for their respective portions of the works, similar policies of Insurance in accordance with provisions of this clause and shall produce or cause to produce to the Bank such policies. The contractor shall not permit a nominated subcontractor to commence work at the site unless the above said Insurance Policies are submitted. In the event of failure of the subcontractor to take out such a policy of insurance before commencing the works at the site, the contractor shall be responsible for any claim or damage attributable to the said sub-contractor.

24 Date of commencement and completion: The Contractor shall be allowed admittance to the site on "Date of Commencement" stated in the Appendix hereto, or each later date as may be specified by the Bank and be shall thereupon and forthwith begin the works and shall regularly proceed with and complete the same (except such painting or other decorative work as the bank may desire to delay) or before the "Date of Completion" stated in the Appendix subject nevertheless to provisions for extension of time hereinafter contained.

25 Damages for non-completion: If the Contractor fails to complete the works by the date stated in the Appendix or within any approved extended time under the time extension clause, the Contractor shall pay the Bank the sum named in the Appendix as " Liquidated Damages" for the period during which the said works shall so remain incomplete and the Bank may deduct such damages from any money due to the Contractor.

26 Delay and extension of time: If in the opinion of the Bank the works be delayed(a) by force major or (b) by reason of any exceptionally inclement weather or c) by reason of

proceedings taken or threatened by or dispute with adjoining or neighbouring owners or public authorities arising otherwise than through contractor's own default or (d) by the works or delays of other contractor or Tradesmen engaged or nominated by the Bank and not referred to in the schedule of quantities and/or specifications or (e) by reasons of Bank's Engineer instruction as per clause 2 hereof (f) by reason of civil commotion, local combination of workmen or strike or lockout affecting any of the building trades or (g) in consequence of the Contractor not having received in due time necessary instructions from the Bank for which he shall have specifically applied in writing or (h) from other causes which the Bank may certify as beyond the control of contractor or (I) in the event, the value of the work exceed the value of the Priced Schedule of Quantities owing to variation, the Bank may make a fair and reasonable extension of time for completion shall as soon as may be given written notice thereof to the bank but the Contractor shall nevertheless constantly use his endeavours to prevent delay and shall do all that may reasonably has required to the satisfaction of Bank to proceed with work.

27 Contractor's failure to comply with Bank's instruction: If the Contractor after receipt of written notice from the Bank requiring compliance within 10 days fails to comply with such further drawings and/or Bank's instructions the Bank may employ and pay other persons to execute any such work whatsoever that may be necessary to give effect thereto, and all costs incurred in connection therewith shall be recoverable from the Contractor by the Bank as a debt or may be deducted by him from any moneys due to the Contractor.

28 Termination of Contract by the Bank: If the Contractor being an individual or a firm commits any "act of insolvency" or shall be adjudged an insolvent or being an incorporated company shall have an order for compulsory winding up made against it or pass an effective resolution for winding up voluntarily or subject to the supervisions of the court and the Official Assignee or the Liquidator in such acts of insolvency or winding up, as the case may be, shall be unable within seven days after notice to him requiring him to do so to show the reasonable satisfaction of the Architect that he is able to carry out and fulfil the Contract and to give security therefore, if so required by the Architect.

Or if the Contractor (whether an individual, first or incorporated company shall suffer execution or other process of court attaching property to be issued against the Contractor.

Or shall suffer any payment under this contract to be attached by or on behalf of any of the creditors of the Contractors.

Or shall assign to sublet this Contract without the consent in writing of the Bank first had and obtained.

Or shall charge or encumber this Contract or any payments due or which may become due to the Contractor hereunder.

General Conditions

1. **Scope of Work:** The scope of work covers “**External Repair Works of Three blocks in Digha Staff Quarters (Block A, B and C) of R.B.I Patna**” in accordance with drawings and specifications prepared by and under the direction and to the satisfaction of the Bank.

2. **Contract:** The form of contract shall be according to the printed form “conditions of contract”. The following clauses shall be considered as an extension and not in the limitation of obligation of the contractor.

All-important drawings are to be mounted on boards and placed in racks and indexed.

3. **Dimensions:** Figured dimensions are in all cases to be accepted in preference to scaled sizes. Large scale details take precedence over small scale drawings. In case if discrepancy the contractor is to ask for clarification before proceeding with the work.

4. **Contractor to include in his/her rates:** The Contractor shall include all the items while forming the rate.

5. **Contractor to inspect site:** The Contractor shall visit and examine the site of work and satisfy himself as to the nature of the existing roads or other means of communications, the extent and magnitude of the work and facilities for obtaining materials and shall obtain generally his own information on all matters affecting the execution of work. No extra charge made in consequence of any misunderstanding or incorrect information on any of these points or the grounds of insufficient description will be allowed. All expenses incurred by the contractor in connection with obtaining information for submitting this tender including his visits to site or efforts in compiling the tender shall be borne by the Tenderer and no claims for the reimbursement thereof shall be entertained

6. **Access to Site:** The contractor is to include in his rates for forming access to the site, required for the works.

7. **Setting out:** The contractor shall set out the works in accordance with the plans. All grid/center line shall be marked out to the satisfaction of the Bank. The contractor shall be responsible for the correctness of the lining out and any inaccuracies are to be rectified at his own expenses.

8. **Treasure Trove: (If Applicable):** Should any treasure, fossils, minerals, or works of art of a queried interest be found while carrying out the works, the contractor shall give immediate notice to the Bank of any such discovery and shall hand over such find to the Bank.

9. **Access for Inspection:** The Contractor is to provide at all times during the progress of the works and the maintenance period proper means of access, with ladders, etc. and the necessary attendance to move and adapt as directed for the inspection of measurement of the works by the Bank.

10. Attendance upon all Trades: The general contractor shall be required to attend on all the Tradesmen or Sub- contractors/contractors appointed by the Bank for water supply and sanitary, Electrical Installation, Lifts, Air-conditioning, Security Equipment, Hardware, Telephone and other specialist contractors. The rates quoted shall be inclusive of all attendance and also allow the other contractors, appointed by the Bank, use of his scaffolding and retain until such time the relevant sub-contract works are completed

11. Gatekeeper & Watchmen: (If Applicable as instructed by Bank): The contractor from the time of being placed in possession of the site must make arrangements for watching, lighting and protecting the work, all materials, workmen and the public by day and night on all days including Sundays and Holidays at his own cost.

12. Cost of Transporting: The contractor shall allow in his own cost for all transporting, unloading, stacking and storing of supplies and goods and materials for this work on the site and in the places approved from time to time by the Bank. The contractor shall allow in his price for transport of all materials (controlled or otherwise) to the site.

13. Materials, Workmanship and Samples: Materials shall be of approved quality and the best of their kind available and shall generally conform to I.S. Specifications. The contractor shall order all the materials required for the execution of work as early as necessary and ensure that such materials are on site well ahead of requirements for use in the work. The work involved calls for high standard of workmanship combined with speed and to the entire satisfaction of the Bank. Rates for Non-tender Items:

14. Rates of items not included in Schedule of quantities shall be settled by the Bank as mentioned in the variation clause of the Contract conditions.

15. Rates to include: The rates quoted shall be for all leads and lifts and finished work.

16. To ascertain from Contractor for the other Trades: The Contractor shall ascertain from other contractor as directed by the Bank all particulars relating to their work with regard to the order of its execution and the position in which chases, holes and similar items will be required, before the work is taken in hand as no claims for extras will be allowed for cutting away work already executed in consequence of any neglect by the contractor to ascertain these particulars beforehand. Before ordering materials, the contractor shall get the sample approved from the Bank well in time.

17. Testing of Work and Material: The contractor shall arrange to test the materials to be used for the work as decided and directed by the Bank, at his cost in order to prove their soundness and efficiency. Before sending the samples of materials for testing, the samples shall be sealed and signed jointly by the contractor and the representative from the Bank and each sample shall be given distinct identification mark. On receipt of various test reports, proper record shall be maintained for all the test carried out showing respective identification marks of the samples and results. If after any such tests, the work or portion of works is found to be defective or unsound in the opinion of the Bank the contractor shall pull down and redo

such works at their own cost. The materials found to be defective or declared unsound or not conforming to specifications etc., after testing, shall be immediately removed from the site by the contractor.

In case, the contractor fails to get the work / portion of works / materials tested at appropriate time, the Bank will arrange for getting such testing done and all testing charges and other incidental expenditure incurred by the Bank in connection with such tests shall be recovered from the Contractor.

After any such tests, the work or portion of works is found to be defective or unsound in the opinion of the Bank, the contractor shall pull down and redo such works at their own cost. The materials found to be defective or declared unsound or not conforming to specifications etc., after testing, shall be immediately removed from the site by the contractor.

18. Clearing of Site: As work is to be carried out in office premises the contractor shall remove debris and clean the premises at the end of every day on his expense and maintain the area in clean and tidy conditions.

2. M/s _____ (hereinafter called as Tenderer), who are our constituents intend to submit their tender for the said work and have requested us to furnish guarantee to the Bank in respect of the said sum of Rs. _____ (Rupees _____ only).

NOW THIS GUARANTEE WITNESSETH

1. We (Bank) do hereby agree with and undertake to the Reserve Bank of India, their Successors, Assigns that in the event of the Reserve Bank of India coming to the conclusion that the Tenderer have not performed their obligations under the said conditions of the tender or have committed a breach thereof, which conclusion shall be binding on us as well as the said Tenderer, we shall on demand by the Reserve Bank of India, pay without demur to the Reserve Bank of India, a sum of Rs. _____ (Rupees only) or any lower amount that may be demanded by the Reserve Bank of India. Our guarantee shall be treated as Deposit for the due performance of the obligations of the Tenderer under the said Conditions, provided, however, that our liability against such sum shall not exceed the sum of Rs. _____ /- only). (Rupees _____ only).

2. Bank of India in enforcing the conditions of the said agreement or in compliance with any of the terms and conditions stipulated in the said tender and/or hereunder or granting of any time or showing of any indulgence by the Reserve Bank of India to the Tenderer or any other matters in connection therewith shall not discharge us in any way and our obligation under this guarantee. This guarantee shall be discharged only by the performance by the Tenderers of their obligations and in the event of their failure to do so, by payment by us of the sum not exceeding Rs. _____/- (Rupees _____ only) We also agree to undertake to and confirm that the sum not exceeding Rs. _____/- (Rupees _____ only) as aforesaid shall be paid by us without any demur or protest, merely on demand from the Reserve Bank of India on receipt of a notice in writing stating the amount is due to them and we shall not ask for any further proof or evidence and the notice from the Reserve Bank of India shall be conclusive and binding on us and shall not be questioned by us in any respect or manner whatsoever. We undertake to pay the amount claimed by the Reserve Bank of India within a period of one week from the date of receipt of the notice as aforesaid.

3. We confirm that our obligation to the Reserve Bank of India under this guarantee shall be independent of the agreement or agreements or other understandings between the Reserve Bank of India and the Tenderer. This guarantee shall not be revoked by us without prior consent in writing of the Reserve Bank of India.

We hereby further agree that -

- a) Any forbearance or commission on the part of the Reserve
- b) Our liability under these presents shall not exceed the sum of Rs. _____/- (Rupees _____ only)
- c) Our liability under this agreement shall not be affected by any infirmity or irregularity on the part of our said constituents in tendering for the said work or their obligations thereunder or by dissolution or change in the constitution of our said constituents.
- d) This guarantee shall remain in force up to _____ provided that if so desired by the Reserve Bank of India, this guarantee shall be renewed for a further period as may be indicated by them on the same terms and conditions as contained herein.
- e) Our liability under this presents will terminate unless these presents are renewed as provided herein above on the _____ or on the day when our said constituents comply with their obligations, as to which a certificate in writing by the Reserve Bank of India alone is the conclusive proof whichever date is later. Unless a claim or suit or action is filed against us within six months from that date or any extended period, all the rights of the Reserve Bank of India against us under this guarantee shall be forfeited and we shall be released and discharged from all our obligations and liabilities hereunder.

Yours' faithfully,

For and on behalf of Bank.
