

**GOVERNMENT OF INDIA  
MINISTRY OF AYUSH**

**LOK SABHA  
STARRED QUESTION No. 98  
TO BE ANSWERED ON 24.07.2026**

**Integration of AYUSH Systems in National Healthcare Framework**

\*98     Shri P P Chaudhary:  
          Shri Pratap Chandra Sarangi:

Will the Minister of AYUSH be pleased to state:

- (a) the steps taken by the Government for mainstreaming and integration of AYUSH systems into the national healthcare framework, including co-location in health and wellness centres and Government Hospitals in the country, State-wise and constituency-wise;
- (b) the details of progress achieved in research, standardisation, quality control and pharmacovigilance of AYUSH medicines in the country, State-wise and constituency-wise;
- (c) the impact of AYUSH interventions on preventive healthcare, wellness and management of lifestyle diseases in the country, State-wise and constituency-wise;
- (d) whether the Government is giving priority to research and healthcare system in tribal dominated areas in the country, if so, the details thereof, State-wise and district-wise; and
- (e) whether the Government has any proposal to further strengthen AYUSH education, infrastructure and its contribution towards holistic healthcare in line with Viksit Bharat by 2047, if so, the details thereof, State-wise and constituency-wise?

ANSWER

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH  
(SHRI PRATAPRAO JADHAV)**

(a) to (e) A Statement is laid on the Table of the House.

**The Statement referred in reply to Lok Sabha Starred Question No. 98 for 24.07.2026**

(a) Mainstreaming of Ayush is one of the core strategies under National Health Mission (NHM) which seeks to provide accessible, affordable and quality health care to the population. To promote traditional systems of medicine and wellness in the country, Government of India has adopted an integrated strategy of co-location of Ayush facilities at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs), thus enabling the choice to the patients for different systems of medicines under a single window. As on 31.12.2025 (MIS-NHM), NHM supports co-location of AYUSH services in health facilities such as PHCs (6,302), CHCs (3,191), DHs (475) and other health facilities (3,281) by allocating Ayush services in 13,249 health facilities. Also, a total of 25,322 Ayush doctors and 5,666 Ayush paramedics have been deployed in the States/UTs with NRHM funding support. The details of number of hospitals where Ayush services are co-located State/UT-wise is attached at **Annexure-I**.

Further, the Ministry of Ayush is adopting a rational approach along with multiple initiatives for the promotion and institutional expansion of each Ayush system of medicine according to its respective strengths, with a view to facilitating their integration with modern medicine. Some of the major initiatives are as follows:

- i. The Ayush Vertical under the Directorate General of Health Services (DGHS), established by Ministry of Ayush and the Ministry of Health and Family Welfare (MoH&FW), serves as a dedicated institutional mechanism for planning, monitoring and supervising Ayush-specific public health programmes. This vertical provides technical support to both Ministries in developing strategies for public health, healthcare, Ayush education and training.
- ii. The Ministry of Ayush and MoH&FW have jointly established Integrated Ayush Departments in Central Government Hospitals to promote integrative healthcare. As part of this initiative, the Department of Integrative Medicine has been established and is operational at Vardhman Mahavir Medical College & Safdarjung Hospital and Lady Hardinge Medical College, New Delhi.
- iii. The National Commission for Indian System of Medicine (NCISM) has developed the Ayush Module–Internship Electives for MBBS students in Ayurveda, Unani and Siddha. Further, under Regulation 10(7) of the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Ayurveda Education) Regulations, 2022, modern advances may constitute up to 40 per cent of the Ayurveda teaching curriculum. The Homoeopathy Education Board under the National Commission for Homoeopathy (NCH) has also introduced several initiatives, including early clinical exposure, electives, faculty

development programmes, foundation programmes, finishing programmes and new subjects such as Pharmacology and Psychology.

iv. Details of the initiatives taken by the Research Councils and National Institutes under the Ministry of Ayush for the integration of Ayush with the contemporary medical system are given in the **Annexure-II**.

(b) Quality control of Ayush medicines is ensured through exclusive regulatory provisions under the Drugs and Cosmetics Act, 1940 and Drugs Rules, 1945 have exclusive regulatory provisions for Ayurvedic, Siddha, Sowa-Rigpa, Unani, and Homoeopathy (ASSU &H) drugs. It is mandatory for the manufacturers to adhere to the prescribed requirements for licensing of manufacturing units & medicines including proof of safety and effectiveness, compliance with the Good Manufacturing Practices (GMP) as per Schedule T & Schedule M-1 of the Drugs Rules, 1945 for ASSU&H drugs respectively and also to follow the quality standards of drugs as prescribed in the respective pharmacopoeia.

Drug Inspectors collect medicine samples regularly from manufacturing firms or sale shops within their jurisdiction and send them to Drug Testing Laboratory under Drug Control department for quality testing and if any sample is found to be 'Not of Standard Quality', appropriate action is initiated such as preventing the sale of the products from the market and appropriate legal actions as per Drugs and Cosmetics Act 1940 and Rules made thereunder.

The Pharmacopoeia Commission for Indian Medicine & Homoeopathy (PCIM&H), a subordinate organization under the Ministry of Ayush, develops pharmacopoeial standards and formulary specifications for ASSU&H drugs, which serve as the official compendia for determining their identity, purity, and strength. Compliance with these standards is mandatory under the Drugs and Cosmetics Act, 1940 and the Rules made thereunder. PCIM&H also functions as the Appellate Drug Testing Laboratory for ASSU&H drugs and conducts regular capacity-building programmes for Drug Regulatory Authorities. Drug Analysts, and other stakeholders on standardization, quality control, and testing methodologies to strengthen the quality assurance system for ASSU&H drugs.

Drug Testing Laboratories are recognized under Rule 160 A to J of the Drugs Rules, 1945 for carrying out such tests of identity, purity, quality and strength of ASSU. drugs. As on date. 118 private laboratories and 34 Drug Testing Laboratories of State UTs are functional

Ministry of Ayush has implemented a Central Sector Scheme Ayush Oushadhi Gunavatta Evam Utpadan Samvardhan Yojana (AOGUSY), under which support is provided for

strengthening and up-gradation of Ayush Pharmacies and Drug Testing Laboratories to achieve higher standards. Further, under its second component. i.e. Pharmacovigilance of ASSU&H drugs including surveillance of misleading advertisements, the program keep vigilance over Ayush drugs and reduce the instances of Misleading Advertisements (MLAs)/Objectionable Advertisements (OAS) and report suspected Adverse Drug Reactions (ADRs) This program has established a three-tier network of pharmacovigilance centers distributed throughout the country with one National Pharmacovigilance Coordination Centre (NPVCC), 05-Intermediary Pharmacovigilance Centers (IPvC) & 97 Peripheral Pharmacovigilance Centers (PPvC).

To strengthen the pharmacovigilance system for Ayush drugs, Ministry of Ayush has launched an IT enabled online portal "Ayush Suraksha" on 30<sup>th</sup> May 2025 to capture MLAs/OAs and report suspected Adverse Drug Reactions (ADRs) related to the Ayush medicine. Further, the Ministry of Ayush promotes the following quality certification initiatives for Ayush products:

- Ayush Vertical in CDSCO: Strengthens regulatory oversight through joint inspections with State/UT licensing authorities and facilitates issuance of WHO Certificate of Pharmaceutical Product (WHO-CoPP) for eligible Ayush drugs.
- QCI Quality Certification Scheme: Provides Ayush Standard Mark and Ayush Premium Mark based on third- party evaluation of compliance with domestic and international quality standards.

Furthermore, Ministry of Ayush also launched the Ayush Quality Mark Programme on 19.12.2025 to strengthen quality assurance and enhance the global recognition of Ayush products and services.

With regard to research Ministry of Ayush, Government of India has set up Central Council for Research in Ayurvedic Sciences (CCRAS), Central Council for Research in Siddha (CCRS), Central Council for Research in Homoeopathy (CCRH), Central Council for Research in Yoga and Naturopathy (CCRYN) and Central Council for Research in Unani Medicine (CCRUM). These institutes are autonomous organizations under Ministry of Ayush for research in Ayurveda, Siddha, Homoeopathy, Yoga & Naturopathy and Unani, respectively and conducting different research activities through their peripheral institutes available in different parts of the country and working towards the scientific validation in the concerned system of medicines through clinical research, drug research, medicinal plants research, fundamental research, literary research and documentation, extending healthcare services and promotion of Ayush system. Various research initiatives and clinical trials are being conducted by 05 Research Councils and 12 National Institutes under the aegis of Ministry of Ayush to validate the efficacy and safety of Ayush

treatments for various health conditions and the details regarding the same are available on Ayush Research Portal (<https://ayushportal.nic.in>).

(c) The main objectives of operationalization of Ayushman Arogya Mandir (Ayush) [AAM (Ayush)] are to establish a holistic wellness model based on Ayush principles and practices, to empower masses for self-care to reduce disease burden, out of pocket expenditure (OOPE) and to provide informed choice to the needy public in the rural areas of the country through different Ayush interventions. As reported by the States/UTs, beneficiary footfall has increased at Ayushman Arogya Mandirs (Ayush) following the upgradation of Ayush dispensaries, due to the availability of comprehensive Ayush healthcare services, including Prakriti assessment, Yoga, promotion of medicinal plants, healthy lifestyle practices, and basic OPD interventions. Under NAM, 12500 AAM (Ayush) have been supported for operationalisation in different parts of the Country for providing holistic healthcare to the community through different Ayush interventions. The State/UT-wise details of AAM (Ayush) are furnished at **Annexure-III**.

(d) Public Health being a State subject, the primary responsibility for giving priority to research and healthcare system in tribal dominated areas in the country lies with respective State Government. However, under the Centrally Sponsored Scheme of the National Ayush Mission (NAM), the Ministry of Ayush supports the efforts of States/UTs for providing Ayush health care services throughout the country including tribal dominated areas by strengthening and improving Ayush health care services as per the proposals received in their State Annual Action Plans (SAAPs). The State /UT- wise status of funds released under NAM from 2014-15 to 2025-26 is furnished at **Annexure-IV**.

(e) Ministry of Ayush has prepared the Ayush Policy Roadmap as a strategic framework for the development and integration of India's traditional systems of healthcare. It outlines key policy priorities to strengthen the Ayush sector as an integral part of the country's healthcare system and national development.

The roadmap outlines a comprehensive framework covering the entire Ayush ecosystem, including infrastructure, education, training and human resource development, health service delivery, research and development, the manufacturing sector and drug regulation, quality raw materials including medicinal plants, international cooperation and propagation, contribution to the economy, and policy reforms and its contribution towards holistic healthcare.

| 1.      | Central Council for Research in Ayurvedic Sciences (CCRAS) | CCRAS has undertaken research studies such as Operational study to explore the feasibility of integrating Ayurveda with modern system of medicine in a tertiary care hospital (Safdarjung Hospital New Delhi) for the management of Osteoarthritis (Knee), Feasibility of introducing the Indian System of Medicine (Ayurveda) in the National Reproductive and Child Health services at the Primary Health Care (PHC) level in Himachal Pradesh and Integration of Ayush systems in the National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases & Stroke (NPCDCS) and Feasibility of introducing Ayurveda Intervention in Reproductive and Child Health (RCH) in PHCs of the Selected district (Gadchiroli) of Maharashtra (Effectiveness of Ayurvedic intervention for Ante-Natal care (Garbhini Paricharya) at Primary Health Care level A Multi Centre Operational Study). Further, Indian Council of Medical Research (ICMR) and CCRAS has taken and initiative to set up Ayush-ICMR Advanced Centre for Integrative Health Research (AI-ACIHR), at AIIMS to conduct research on identified areas focusing on integrative healthcare under Extra Mural research Scheme of ICMR. |
| 2.      | Central Council for Research in Unani Medicine (CCRUM)     | CCRUM has established four re-location centers at Dr. RML Hospital, Dr. DDU Hospital, Safdarjung Hospital, New Delhi and J.J. Hospital at Mumbai. Collaborative projects with modern academic/ research Institutions have also been under taken by the Council to integrate and promote Unani Medicine.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| 3.      | Central Council for Research in Homoeopathy (CCRH)         | CCRH is working towards integration of Homoeopathy with mainstream healthcare by undertaking research in collaboration and cooperation in the field of integrative medicine. The Council has co-location of homoeopathy treatment centre in allopathic hospital for providing treatment on various clinical conditions at Safdarjung Hospital, New Delhi, Lady Hardinge Medical College & Hospital, New Delhi, Delhi Cantonment General Hospital, New Delhi, Clinical trial Unit, at BRD Medical College and Hospital, Gorakhpur, U.P, Civil Hospital, Aizawl, Mizoram and District hospital, Dimapur, Nagaland. The Council has also taken initiative to link Homoeopathy along with mainstream healthcare set-up by undertaking various Public Health programmes such as the Integration of NPCDCS Programme for Homoeopathy, Swasthya Rakshan program (SRP), the Programme 'Homoeopathy for Healthy teething', a component of 'Homoeopathy for healthy child and                                                                                                                                                                                                                                                     |

|    |                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
