4	Guidelines for e-procurement
	The intending tenderers must have valid class III digital signature and are advised to follow 'Guidelines for e-Procurement'.
5	Clarifications and pre-bid meeting
	If the bidder shall have any doubt as to the meaning of any portion general rules and instructions to tenderers / bidders, general conditions or the special conditions or the scope of the work or the specifications and drawings or any other matter concerning the work, he shall in good time, before the scheduled date of Pre-bid meeting, put forth the particulars thereof and submit them to the RBI, in writing / email, addressed to the Tender Inviting Authority / representative of the tender inviting authority, specified in Schedule 'E' in order that such doubts may be clarified authoritatively during Pre-bid meeting and shall be conveyed to all the bidders in due course. Once a tender is submitted, the matter will be decided according to tender conditions in

	the absence of such authentic pre-clarification. In order to explain the scope of work, other details and to clarify any issues/ queries raised by the bidders, a Pre-bid meeting shall be arranged on the date, time and venue specified in Schedule of Tender / Notice Inviting E-Tender. The bidders are advised to peruse the tender and visit the site and submit any matter requiring clarification to the RBI latest by 10.30am on the previous working day. In case the bidder wishes to include any condition while tendering for the work, he will have to submit the same before the pre-bid meeting to enable the RBI to examine/ consider the same. RBI's decision in the matter shall be conveyed to all the bidders after pre-bid meeting but before the scheduled date of submission of the tenders. All the bidders are advised to attend the Pre-bid meeting in their own interest. Any tender received with any deviation/ Condition is liable for rejection.	
6	Site visit	
	The tenderer is advised to visit the site of work, at his own cost, and examine it and its surroundings to himself collect all information that he considers necessary for proper assessment of the prospective assignment.	
7	Amendment to Tender document	
	(i)	At any time prior to the deadline for the submission of tender/bids, RBI may, for any reason, whether at its own initiative or in response to a clarification or query raised by a prospective Bidder, modify any part of the tender document by an amendment and the same will be uploaded in the RBI website www.rbi.org.in and Central Public Procurement Portal (CPPP) and can be accessed at https://etenders.gov.in .
	(ii)	The said amendment in the form of the addendum/ corrigendum will be made available in the RBI website and Central Public Procurement Portal (CPPP) and the same shall be binding on the bidders. The Bidders are strongly advised to regularly visit these websites to ensure that they are aware of the amendments, if any. The addendum (s), if any, issued will form part of the contract document.
	(iii)	In order to afford prospective Bidders reasonable time for preparing their Bids after taking into account such amendments, the RBI may, at its discretion, extend the deadline for submission of Bids.
8	Item Rate tender	
	The Bidder should note that unless otherwise stated, the tender is strictly on item rates basis and his attention is drawn to the fact that rates for each and every item	

	should be correct, workable and self-supporting. The quantities in the schedule of quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. The quoted percentage shall remain firm for a variation of plus (+) or minus (-) 25% of the specified quantities of each item in the Schedule of Quantities.
9	Integrity pact (Not applicable) The bidder shall be required to enter into an agreement with the Bank called Integrity Pact (IP). The IP envisages an agreement between the Bank and the bidders as per the approved proforma given in Schedule G, committing the persons/ officials of both sides not to resort to corrupt practices in any aspect/ stage of the contract. The IP shall be applicable from the stage of invitation of application document for empanelment of system integrators. The applications of those bidders which do not contain the IP in the approved proforma shall be liable for rejection. Integrity pact as per the Schedule G shall be executed in non-judicial stamp paper. The cost of the stamp paper shall be borne by the applicant.
9A	Debarment
	A bidder is liable for debarment/disqualification from bidding on the following grounds:

1	If it is determined that the bidder has committed the following acts or omissions in contravention of the code of integrity: (i) a. making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process. b. any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained or an obligation avoided. c. any collusion, bid rigging or anticompetitive behavior that may impair the transparency, fairness and the progress of the procurement process. d. improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain. e. any financial or business transactions between the bidder and any official of the procuring entity related to tender or execution process of contract: which can affect the decision of the procuring entity directly or indirectly. f. any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process. g. obstruction of any investigation or auditing of a procurement process. h. making false declaration or providing false information for participation in a tender process or to secure a contract. (ii) failed to disclose conflict of interest. (iii) failed to disclose any previous transgressions made in respect of the provisions of sub-clause (i) with any public institution / entity in India or any other country during the last three years or of being debarred by any public procuring institution / entity.	
2	For any actions or omissions by the bidder other than violation of code of integrity, which in the opinion of the Bank warrants debarment, for the reasons like supply of sub-standard material, non-supply of material, abandonment of works, sub-standard quality of works, failure to abide terms of the tender etc.	
3	If the bidder has been convicted of an offence— (a) under the Prevention of Corruption Act, 1988; or (b) the Indian Penal Code or any other law for the time being in force, for causing any loss of life or property or causing a threat to public health as part of execution of a public procurement contract.

	ii)	Under no circumstances, Earnest Money Deposit will be accepted in any other form than stipulated above.
	iii)	A tender, which is not accompanied by EMD, will not be considered.
	iv)	<u>Release of EMD</u> : The Earnest Money Deposit of tenders other than successful tenderer shall be returned/refunded on expiry of bid validity (including extended validity) or on award of work to the successful tenderer whichever is earlier. The EMD amount will not bear any interest. The EMD of successful bidder shall be released after submission of Performance Guarantee (which is 5% of the contract value).
	v)	<u>Forfeiture of EMD</u> : The EMD will be forfeited (i) if the vendor / contractor withdraws bid after opening of the Price Bid or (ii) if the vendor / contractor fails to commence the work after award within the prescribed time limit (iii) Violation of Integrity Pact
15	Signing of Bid, Power of Attorney	
	i)	Each of the tender documents should be digitally signed as per 'Important instruction for e-Procurement' by the person or persons submitting the tender in token of his/their acquainted himself/themselves with the General Rules and Instructions to bidders including prequalification criteria, General Conditions of Contract, Specifications, Special Conditions and other terms and conditions etc. as laid down.
	ii)	The tender submitted online on behalf of a firm must be digitally signed as per instructions of e-tender specified in 'Important instruction for e-Procurement', it must be digitally signed on his behalf by a person holding a power-of attorney authorizing him to do so, such power of attorney to be uploaded along with the tender, or it must be digitally signed by a partner who has the necessary authority on behalf of the firm to enter into the proposed contract and it must disclose that the firm is duly registered

		under the Indian Partnership Act, 1952. Otherwise, the tender may be rejected by RBI.
	iii)	Bidders shall submit online along with Part-I of the tender, a power of attorney, on a stamp paper of appropriate value and duly notarized, in favour of the person digitally signing the Bid documents authorizing him to sign the Bid documents, make corrections/ modifications thereto and interacting with Reserve Bank of India and act as the contact person. The proforma of the power of attorney shall be as annexed hereto.
16	Modification / Substitution / Withdrawal of Bids	
	No modification or substitution of the submitted Bid shall be allowed after the due date and time of submission of the tender.	
17	Bid Due Date	
	Bids should be submitted online as specified in instructions to e-Tender on or before the stipulated time and date as specified in NIT / Schedule of e-Tender. Reserve Bank of India may, in exceptional circumstances, and at its sole discretion, extend the Bid due date.	
18	Late bids	
	No bid will be received after the due date/last date and time specified for submission of bids in NIT / Schedule of e-Tender or after the extended Bid due date, if any.	
19	Opening of bids	
	Duly filled tender Part I, accompanied by EMD, prequalification criteria (if applicable), technical details, literature etc., called Part I of the tender, will be opened on e-Tender mode on the time and date, as specified in NIT / Schedule of e-Tender, at his office, by the tender inviting authority, as specified in Schedule 'E' or his authorized representative in the presence of authorized representatives of the bidders who choose to be present. Duly filled-in tender-Part II, of eligible bidders i.e., who have furnished and other details in Part I as stated above before the due date and time will be opened on the time and date, as specified in NIT / Schedule of e-Tender, at his office, by the tender inviting authority, as specified in Schedule 'E' in presence of the authorized representatives of the qualified bidders.

	Tenders shall remain open to acceptance by the RBI for a period as specified in Notice inviting E-Tender / Schedule of Tender from the date of opening of the Part-I of the tender which period may be extended by mutual agreement and the bidder shall not cancel or withdraw the tender during this period.	

21	Clarification and Evaluation of bids	
	RBI would subsequently examine and evaluate bids as below:	
	i)	Price Bids / Part II of only those Bidders who are shortlisted as per part I of tender shall be opened.
	ii)	The price bids of unqualified bidders will not be opened and communication will be sent in this regard.
	iii)	If the rates written in figures and in words do not tally, then the rates quoted by the contractor in words shall be taken as correct.
	iv)	To assist in the examination, evaluation and comparison of the bid, RBI may ask Bidders individually for clarifications. The request for clarification and the response shall be in writing / email. No change in the price or substance of the Bid shall be sought, offered or permitted except as required to during the evaluation of Bids in accordance with tender clauses.
	vi)	In the case of any tender where the unit rate of any item/ items appears unrealistic, such tender will be considered as unbalanced and in case the tenderer is unable to provide satisfactory explanation, such a tender is liable to be disqualified and rejected.
	vii)	In case the lowest tendered amount of two or more bidders is same, then such lowest bidders may be asked to submit a revised offer quoting percentage discount on their already quoted tendered amount which shall be applicable on all tender items except buy-back amount. The lowest tender shall be decided on the basis of revised offer. Further, if any such lowest bidder does not revise his bid on lower side, his original bid shall remain valid for further processing.
	viii)	If the revised tendered amount of two or more bidders received in revised offer is again found to be equal, then the RBI shall decide future course of action which shall be final and binding on all the bidders.
22	Acceptance of Tender and Award of Work	
	On receipt of intimation from the RBI of the acceptance of his/their tender, the successful bidder shall be bound to implement the contract and within fourteen days from the date of issue of work order thereof, the successful bidder shall sign an agreement in accordance with the draft articles of agreement in the format at Annex 1 in Section VIII. Further, the written acceptance by the Reserve Bank of India of a tender will constitute a binding contract between the Reserve Bank of India and the	

	person so tendering, whether such formal agreement is or is not executed subsequently.	
23	Performance Guarantee	
	(i)	Performance Guarantee for an amount equal to 5% of contract value in the form of a Bank Guarantee from a scheduled Bank in the proforma at Annex 3 shall be submitted or shall be paid through NEFT / RTGS by the successful tenderer within 14 days of award of work. No interest will be paid on the amount paid through NEFT / RTGS
	(ii)	In case of delay in submission of Bank Guarantee, Bank shall withhold an amount equal to Performance Guarantee from the vendor's bill on getting explicit written consent for the same from the vendor.
	(iii)	In case of delays in extension of PBG, charges (late fee) for such delay shall be recovered from the bills of the contractor at Bank rate.
	(iv)	The Performance Guarantee shall be initially valid up to the stipulated date of completion plus 2 months beyond that. In case the time for completion of work gets extended, the contractor shall get the validity of Performance Bank Guarantee extended to cover such extended time for completion of work.
	(v)	Release of PBG: Will be released after completion of work in all respect.
	(vi)	Forfeiture of PBG: In case of (i) non-commencement of work, (ii) non-performance of contract obligations or fails to comply with any of the conditions of the contract and (iii) violation of Integrity Agreement / Pact by Bank under the provisions of the contract and (iv) in the event of contract being determined or rescinded under provision of any of the Clause/Condition of the agreement. PG will also be forfeited as per provisions under clause 01 of GCC.
23	Waterproof Performance Bank Guarantee	
(a)		
		After virtual completion and before submission of final bill, the contractor has to submit irrevocable water proofing performance Bank Guarantee (WPBG) for 5% of the external waterproof painting item, valid for 5 years from the date of virtual completion of the work in the proforma at Annex 11. The WPBG will be forfeited if he/she/they fails to comply with the instructions of the Bank's engineers to arrest the leakages/seepages

		from the treated / water proof painted surfaces during the guarantee period.
24	Retention Money / Security Deposit	
	i)	An amount 5% of the value of the work done will be deducted by the RBI from each payment to be made to the Contractor towards Retention Money.
	ii)	Release of Retention Money: On completion of Defect Liability Period and after rectification of the defects pointed out by the Bank during the Defects Liability Period.
	iii)	The amounts retained by the RBI shall not bear any interest.
25	Taxes / Duties / Levies	
	(i)	The estimated cost includes all taxes including Goods and Service Tax (GST). The prices quoted shall include all taxes, custom duty, excise duty, octroi, local levies, Cess and royalties or any other taxes/duties imposed by /State Government/ Local Bodies, charges for insurance etc. Applicable Goods and Service tax (GST) is indicated in the price bid.
	(ii)	If RBI is required to discharge the liability of any taxes on the transaction like TDS(IT), Labour Cess, GST under reverse mechanism or any other similar taxes, which is or becomes payable by RBI, the same shall be deducted from the bills of the contractor. If the Tenderer fails to include such taxes and duties in the tender, no claim thereof will be entertained by the Bank afterwards.
	(iii)	Goods and Service Tax, duties, levies and royalties levied by Central and State Governments or any other tax applicable in respect of this contract shall be payable by the Contractor and RBI will not entertain any claim whatsoever in respect of the same
	(iv)	The Bank is not responsible for payment of GST for the service rendered by the contractor. It is the responsibility of the contractor to pay the GST to the tax authority. The Contractor shall strictly comply with submission of GST and other returns also. The documentary evidence should be submitted to the Bank as per extant instructions
26	Time for completion of work	
		Time is the essence of the contract. The time allowed for carrying out the work is 5 months and the same shall be strictly followed. The completion time shall be reckoned from 14 th day of date of work order.
27	Work Program	

	(i)	The work shall throughout the stipulated period of the contract be proceeded with all due diligence and if the Contractor fails to complete the work within the specified period, he shall be liable to pay compensation as defined in the relevant clause of the General Conditions of Contract.
	(ii)	The bidder shall, before commencing work, prepare a detailed work programme, as specified in the General Conditions of Contract (Clause 5), which shall be approved by the Engineer-in-Charge.
28	RBI/Employer's right to accept or reject any or all the bids	
		Notwithstanding anything mentioned above, RBI reserves the right to accept or reject any Bid at any time prior to award of contract without thereby incurring any liability to the affected Bidder or Bidders. The RBI/Employer shall not assign any reason for rejection of any or all Bids.
29	Compliance to Office Memorandum issued by Department of Expenditure, Ministry of Finance, Government of India – Rule 144(xi), General Financial Rules (GFR), 2017	
	i)	Compliance with the Rule 144(xi) of GFR 2017 inserted vide Office Memorandum (OM) F. No. 6/18/2019-PPD dated July 23, 2020, issued by Public Procurement Division, Department of Expenditure, Ministry of Finance, Government of India, the Public Procurement Orders issued in furtherance thereto, and their subsequent revisions shall be mandatory.
	ii)	In this regard, Bidder shall submit a copy of Undertaking / Declaration / Certificate on their letter head duly sealed and signed by the authorized signatory in the format given at Annex 10 / Section VIII.
	lii)	If the Undertaking / Declaration / Certificate submitted by the bidder is found to be false, his/her/its tender / work order will be immediately terminated, and legal action in accordance with law including forfeiting of Earnest Money Deposit / Performance Guarantee / Security Deposit may be initiated and the Bank may also debar the bidder from participating in the tenders invited by the Bank in future.

--	--

		Contractor or his representatives upon the works by the Engineer-in-Charge shall, if involving a variation, be confirmed in writing by the Contractor within seven days, and if the same is not approved/ disapproved by the Engineer-in-Charge in writing within a further period of seven days, such shall be deemed to be Employer's Instructions within the scope of the Contract.	
Sufficiency of Tender	7	The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which rates and prices shall, except as otherwise provided, cover all his obligations under the Contract and all matters and things necessary for the proper completion and maintenance of the works.	
Discrepancies and Adjustment of Errors (order of preference)	8	The several documents forming the Contract are to be taken as mutually explanatory of one another, detailed drawings being followed in preference to small scale drawing and figured dimensions in preference to scale and special conditions in preference to General Conditions.	
	8.1	In the case of discrepancy between the schedule of Quantities, the Specifications and/ or the Drawings, the following order of preference shall be observed: -	
		i)	Description/Nomenclature as per Schedule of Quantities.
		ii)	General / Particular Specification and Special Condition, if any.
		iii)	CPWD Specifications with up to date correction slip
		iv)	Architectural / structural Drawings.
		v)	Indian Standard Specifications of BIS
		vi)	National Building Code – 2016

		shall keep at his own cost all such publications of relevant Indian Standard applicable to the work at site.
	8.2	If there are varying or conflicting provisions made in any one document forming part of the contract, the Competent Authority as defined in the schedule 'F' shall be the deciding authority with regard to the intention of the document and his decision shall be final and binding on the contractor.
	8.3	If there is a discrepancy between actual scaled drawing and written dimension (or description) on a drawing, the latter shall be followed.
	8.4	The Schedule of Quantities, unless otherwise stated shall be deemed to have been prepared in accordance with method of measurement specified in Clause 6. Any error in description or in quantity in Schedule of Quantities or any omission of items therefrom shall not vitiate the Contract but shall be rectified and the value thereof, as ascertained under Clause 12 hereof shall be added to, or deducted from the Contract amount (as the case may be) provided that no rectification or errors, if any, shall be allowed in the contractor's Schedule of rates. The above discrepancies in Schedule of Quantities shall not release the Contractor from the execution of the whole or any part of the works comprised therein according to drawings and specifications or from any of his obligations under the contract.
Signing of Contract	9	The successful Tenderer, on acceptance of his tender by the Employer, shall, within 14 days from the date of issue of work award letter, sign the contract consisting of: -
	i)	Articles of agreement in Bilingual on non-judicial stamp paper/s of appropriate values applicable to Maharashtra. The cost of the stamp paper/s shall be borne by the contractor. One Certified copy of the agreement will be handed over to the contractor by the Employer.
	ii)	The notice inviting tender, all the documents including drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.
		No payment for the work done will be made unless contract is signed by the successful Tenderer. Thus, the first Running Account (RA) Bill

		shall not be accepted for making payment before signing off the Agreement in Bilingual Format.

CLAUSES OF CONTRACT

	CLAUSE 1	
Performance Guarantee	i)	The contractor shall submit an irrevocable Performance Guarantee of amount indicated in the at item 23 of General Rules and Instructions to Tenderers / bidders in addition to other deposits mentioned elsewhere in the contract for his proper performance of the contract agreement, (not withstanding and/or without prejudice to any other provisions in the contract) within period specified in Schedule 'F' from the date of issue of letter of award. This period can be further extended by the Engineer-in-Charge up to a maximum period as specified in Schedule 'F' on written request of the contractor stating the reason for delays in procuring the Performance Bank Guarantee, to the satisfaction of the Engineer-in-Charge. This guarantee shall be in the form of Bank Guarantee issued by any Scheduled Bank in the approved proforma annexed hereto (Annex 3). Or the contractor can furnish the Performance Guarantee through NEFT / RTGS for which no interest will be paid by the Bank.
	ii)	The Performance Guarantee shall be initially valid up to the stipulated date of completion plus 2 months beyond that. In case the time for completion of work gets enlarged, the contractor shall get the validity of Performance Bank Guarantee extended to cover such extended time for completion of work. After recording of the virtual completion certificate for the work by the Engineer-in-Charge, the performance bank guarantee shall be returned to the contractor, without any interest.
	iii)	The Engineer-in-Charge shall not make a claim under the performance guarantee except for amounts to which the Employer is entitled under the contract (not withstanding and/or without prejudice to any other provisions in the contract agreement) in the event of:
	a)	Failure by the contractor to extend the validity of the Performance Bank Guarantee as described herein above, in which event the Engineer-in-Charge may claim the full amount of the Performance Bank Guarantee.

		b)	Failure by the contractor to pay the Employer any amount due, either as agreed by the contractor or determined under any of the Clauses/Conditions of the agreement, within 30 days of the service of notice to this effect by Engineer-in-Charge.
		iv)	In the event of the contract being determined or rescinded under provision of any of the Clause/Condition of the agreement, the performance guarantee shall stand forfeited in full and shall be absolutely at the disposal of the Employer.
	CLAUSE 1 A		
Recovery of Security Deposit / Retention Money Deposit	i)		The Contractor shall permit Employer at the time of making any payment to him for work done under the contract to deduct a sum at the rate of 5% of the gross amount of each running account and final bill till the sum deducted will amount to security deposit of 5% of the Contract price of the work. Such deductions will be made and held by the Employer by way of Security Deposit till the successful completion of Defect Liability Period.
	ii)		All compensations or the other sums of money payable by the contractor under the terms of this contract may be deducted from his security deposit or from any sums which may be due to or may become due to the contractor by Employer on any account whatsoever and in the event of his Security Deposit being reduced by reason of any such deductions, the contractor shall within 10 days make good in cash any sum or sums which may have been deducted from his security deposit or any part thereof. The security deposit shall be collected from the running bills and the final bill of the contractor at the rates mentioned above.
	iii)		The security deposit as deducted above can be released against bank guarantee issued by a scheduled bank, on completion of the work and settlement of final bill at the request of the contractor subject to the condition that amount of such Bank guarantee is equal to security deposit amount which shall be initially valid till end of defect liability period (DLP) + 3 months. Provided further that the validity of bank guarantee including the one given against the earnest money shall be in conformity with provisions contained in clause 17 which shall be extended from

		time to time depending upon extension of contract granted under provisions of clause 2 and clause 5.
	CLAUSE 2	
Compensation for Delay		If the contractor fails to maintain the required progress in terms of clause 5 or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Employer on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated in schedule 'F' and as per the authority specified in schedule 'F' (whose decision in writing shall be final and binding) may decide on the amount of contract price of the work for every completed day (as applicable) that the progress remains below that specified in Clause 5 or that the work remains incomplete.
		This will also apply to items or group of items for which a separate period of completion has been specified
	i)	Compensation at the rate as specified in Schedule 'F' for delay of work to be computed, provided always that the total amount of compensation for delay to be paid under this Condition shall not exceed 10% of the Contract Price of work or of the Contract price of the item or group of items of work for which a separate period of completion is originally given.
	ii)	The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Employer. In case, the contractor does not achieve a particular milestone mentioned in Schedule 'F', or the re-scheduled milestone(s) in terms of Clause 5.4, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of Extension of Time. With-holding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be

		withheld. However, no interest, whatsoever, shall be payable on such withheld amount.
	CLAUSE 3	
When Contract can be Determined		Subject to other provisions contained in this clause, the Engineer-in-Charge may, without prejudice to his any other rights or remedy against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the following cases:
	i)	If the contractor has abandoned the contract
	ii)	If the contractor having been given by the Engineer-in-Charge a notice in writing to rectify, pull down, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or un-workman like manner, shall omit to comply with the requirement of such notice for a period of seven days thereafter or has failed to remove the materials from the site within seven days of the written instructions of the Engineer-in-Charge that the same were condemned and rejected by him under these conditions .
	iii)	If the contractor has failed to commence the work or, without any lawful excuse under these conditions suspended the progress of the work for fourteen days after receiving notice from the Engineer-in-Charge to proceed or has failed to proceed with the work with due diligence so that in the opinion of the Engineer-in-Charge (which shall be final and binding) he will be unable to secure completion of the work by the date for completion and continues to do so after a notice in writing of seven days from the Engineer-in-Charge.
	iv)	If the contractor fails to complete the work within the stipulated date or items of work with individual date of completion, if any stipulated, on or before such date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge.
	v)	If the contractor persistently neglects or fails to carry out his obligations under the contract and/ or commits default in

		complying with all or any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-Charge.
	vi)	If the contractor shall offer or give or agree to give to any person in Employer's service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any other contract for Employer
	vii)	If the contractor shall enter into a contract with Employer in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Engineer-in-Charge.
	viii)	If the contractor had secured the contract with Employer as a result of wrong tendering or other non-bonafide methods of competitive tendering or commits breach of Integrity Agreement.
	ix)	If the contractor being an individual, or if a firm, any partner thereof commits an "Act of Insolvency" or shall at any time be adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall suffer execution or other process of court attaching property to be issued against the contractor or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors and shall be unable within seven days after notice to him requiring him to do so, to show to the reasonable satisfaction to the Engineer-in-Charge that he is able to carry out and fulfil the contract and to give security therefor, if so required by the Engineer-in-Charge.

	x)	If the contractor being a company shall pass an effective resolution for winding up voluntarily or shall have an order for compulsory winding up made against it or shall subject to the supervision of court and the official Assignee or the liquidator in such acts of insolvency or winding up, as the case may be, or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or the creditor to appoint a receiver or a manager or which entitle the court to make a winding up order.
	xi)	If the contractor shall suffer any payment under this contract to be attached by or on behalf of any of the creditors or the contractor or shall charge or encumber this contract or any payments due or which may become due to the contractor hereunder
	xii)	If the contractor shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days.
	xiii)	If the contractor assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer, sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Engineer-in-Charge. When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer-in-Charge on behalf of the Employer shall have powers:
	a)	To determine the contract, notwithstanding any previous waiver, after giving seven days' notice in writing to the Contractor, as aforesaid (of which termination notice in writing to the contractor under the hand of the Engineer-in-Charge shall be conclusive evidence). Upon such determination, the Security Deposit already recovered and Performance Guarantee under the contract shall be liable to be forfeited and shall be absolutely at the disposal of the Employer.
	b)	After giving notice to the contractor measure up the work of the

		contractor and to take such whole, or the balance or part thereof, as shall be un-executed out of his hands. The action will be without thereby affecting the powers of the Engineer-in-Charge or the obligations and liabilities of the Contractor, the whole of which shall continue in force as fully as if the Contract had not been so determined, and as if the work subsequently executed had been executed by or on behalf of the Contractor. And further, the Employer by his agents or servants may enter upon and take possession of the works and all plants, tools, scaffoldings, sheds, machinery steam and other power utensils and materials lying upon the premises or the adjoining lands or roads, and use the same as his own property or may employ the same by means of his own servants and workmen in carrying on and completing the works or by employing any other Contractor or other person or persons to complete the works, and the Contractor shall not in any way interrupt or do any act, matter or thing to prevent or hinder such other Contractor or other person or persons employed for completing and finishing or using the materials and plant for the works. When the works shall be completed or as soon thereafter as convenient the Engineer-in-Charge shall give a notice in writing to the Contractor to remove his surplus materials and plant, and should the Contractor fail to do so within a period of fourteen days after receipt thereof by him, the Employer may sell the same by public auction, and give credit to the Contractor for the net amount realized. The Employer shall thereafter ascertain and certify in writing under his hand what (if anything) shall be due or payable to or by the Employer and expense or loss which the Employer shall have been put to in procuring the works to be completed and the amount, if any, owing to the Contractor and the amount which shall be so certified shall thereupon be paid by the Employer to the Contractor or by the Contractor to the Employer, as the case may be, and the Certificate of the Engineer-in-Charge shall be final
--	--	--

		and conclusive between the parties. The contractor, whose contract is determined as above, shall not be allowed to participate in the tendering process for the balance work, if resorted to by the Employer.
		In the event of above courses being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of the contract. And in case action is taken under any of the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this contract unless and until the Engineer-in-Charge has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.
	CLAUSE 3A	
	a)	In case, the work cannot be started due to reasons not within the control of the contractor within 1/8 th of the stipulated time for completion of work or one month whichever is higher, either party may close the contract by giving notice to the other party stating the reasons. In such eventuality, the Performance Guarantee of the contractor shall be refunded within 30 days. Neither party shall claim any compensation for such eventuality. This clause is not applicable for any breach of the contract by either party.
	CLAUSE 3B	
Termination of Contract in case of death of Contractor	Without prejudice to any of the rights or remedies under this contract, if the contractor, being an individual, dies, the Employer shall have the option of terminating the contract without any liability for such termination and compensation to the contractor.	
	CLAUSE 4	
Contractor liable to pay Compensation		In any case in which any of the powers conferred upon the Engineer-in-Charge by Clause-3 thereof, shall have become exercisable and the same are not exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions hereof and such powers shall notwithstanding be exercisable

even if action not taken under Clause 3		in the event of any future case of default by the contractor and the liability of the contractor for compensation shall remain unaffected. In the event of the Engineer-in-Charge putting in force all or any of the powers vested in him under the preceding clause he may, if he so desires after giving a notice in writing to the contractor, take possession of (at the sole discretion of the Engineer-in-Charge which shall be final and binding on the contractor) or use as on hire (the amount of the hire money being also in the final determination of the Engineer-in-Charge) all or any tools, plant, materials and stores, in or upon the works, or the site thereof belonging to the contractor, or procured by the contractor and intended to be used for the execution of the work/or any part thereof, paying or allowing for the same in account at the contract rates, or, in the case of these not being applicable, at current market rates to be certified by the Engineer-in-Charge, whose certificate thereof shall be final, and binding on the contractor, clerk of the works, foreman or other authorized agent to remove such tools, plant, materials, or stores from the premises (within a time to be specified in such notice) in the event of the contractor failing to comply with any such requisition, the Engineer-in-Charge may remove them at the contractor's expense or sell them by auction or private sale on account of the contractor and his risk in all respects and the certificate of the Engineer-in-Charge as to the expenses of any such removal and the amount of the proceeds and expenses of any such sale shall be final and conclusive against the contractor.
	CLAUSE 5	
Time and Extension for Delay		The time allowed for execution of the Works as specified in the Schedule 'F' or the authorized extended time in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence from such time period as mentioned in Schedule 'F'. If the Contractor commits default in commencing the execution of the work as aforesaid, Employer shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the performance guarantee absolutely.

5.1	As soon as possible after the award of work but in any case, before 14 days from the date of award of work, the Contractor shall submit a Time and Progress Chart for each mile stone and get it approved by the Engineer-in-charge. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the Contractor within the limitations of time imposed in the Contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (same for special jobs for which a separate programme has been agreed upon) complete the work as per mile stones given in Schedule 'F'. Contractor shall submit fortnight progress report to the Engineer-in-Charge depicting the target progress as per schedule approved by Engineer-in-Charge and achieved progress.
	PROGRAMME CHART
i)	The Contractor shall prepare a detailed work programme for the execution of work, showing clearly all activities from the start of work to completion, within 7 (seven) days of award of the contract for approval to the Engineer-in-Charge
ii)	The programme should include the following:
a)	Descriptive note explaining sequence of the various activities.
b)	Network (PERT / CPM / BAR CHART/MS Project/ Prima Vera).
c)	Programme for procurement of materials by the contractor
d)	Programme for deployment of man power by the contractor
iii)	If at any time, it appears to the Engineer-in-Charge that the actual progress of work does not conform to the approved programme referred above or after rescheduling of milestones, on his instructions, the contractor shall produce a revised programme

		within 7 (seven) days, showing the modifications to the approved programme to ensure timely completion of the work.
	5.2	If the work(s) be delayed by: -
	i)	force majeure, or
	ii)	abnormally bad weather, or
	iii)	serious loss or damage by fire, or
	iv)	civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or
	v)	delay on the part of other contractors or tradesmen engaged by Engineer-in- Charge in executing work not forming part of the Contract, or
	vi)	non-availability of stores, which are the responsibility of Employer to supply or
	vii)	non-availability or break down of tools and Plant to be supplied or supplied by Employer or
	viii)	any other cause which, in the absolute discretion of the Engineer-in-Charge is beyond the Contractor's control.
		Then upon the happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the authority as indicated in Schedule 'F' but shall nevertheless use constantly his best endeavours to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.
	5.3	Request for extension of time, to be eligible for consideration with reasons, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay to the authority as indicated in Schedule 'F'. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.
	5.4	In such case the authority as indicated in Schedule 'F' may give a fair and reasonable extension of time for completion of work. Such extension shall be communicated to the Contractor by the authority as indicated in Schedule 'F' in writing. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension of time by the authority as indicated in Schedule 'F' and this shall be binding on the

		contractor. After giving a fair and reasonable extension of time, the authority shall advise the contractor to reschedule the milestones and submit for approval.
	CLAUSE 6	
Measurements of Work Done	i)	Engineer-in-Charge shall, except as otherwise provided, ascertain and determine by measurement, the value in accordance with the contract.
	ii)	All measurements of all items having financial value shall be entered by the contractor and compiled in the shape of the Computerized Measurement Book having pages of A-4 size as per the format of the department so that a complete record is obtained of all the items of works performed under the contract. All such measurements and levels recorded by the contractor or his authorized representative from time to time, during the progress of the work, shall be got checked by the contractor from the Engineer-in-Charge or his authorized representative as per interval or program fixed in consultation with Engineer-in-Charge or his authorized representative. After the necessary corrections made by the Engineer-in-Charge, the measurement sheets shall be returned to the contractor for incorporating the corrections and for resubmission to the Engineer-in Charge for the dated signatures by the Engineer-in- Charge and the contractor or their representatives in token of their acceptance. Whenever bill is due for payment, the contractor would initially submit draft computerized measurement sheets and these measurements would be got checked/test checked from the Engineer-in-Charge and/or his authorized representative. The contractor will, thereafter, incorporate such changes as may be done during these checks/test checks in his draft computerized measurements, and submit to the department a computerized measurement book, duly bound, and with its pages machine numbered. The Engineer-in-Charge and/or his authorized representative would thereafter check this MB and record the necessary certificates for their checks/test checks.

		The final, fair, computerized measurement book given by the contractor, duly bound, with its pages machine numbered, should be 100% correct, and no cutting or over-writing in the measurements would thereafter be allowed. If at all any error is noticed, the contractor shall have to submit a fresh computerized MB with its pages duly machine numbered and bound, after getting the earlier MB cancelled by the department. Thereafter, the MB shall be taken in the Bank's records, and allotted a number as per the Register of Computerized Measurements Books (MBs). This should be done before the corresponding bill is submitted to the Bank for payment. The contractor shall submit two spare copies of such computerized MB's for the purpose of reference and record by the various officers of the department. The contractor shall also submit to the department separately his computerized Abstract of Cost and the bill based on these measurements, duly bound, and its pages machine numbered along with two spare copies of the bill. Thereafter, this bill will be processed by the Bank and allotted a number as per the computerized record in the same way as done for the measurement book meant for measurements.
	iii)	All measurement of all items having financial value shall be entered in Measurement Book so that a complete record is obtained of all works performed under the contract.
	iv)	If for any reason, the contractor or his authorized representative is not available and the work of recording measurements is suspended by the Engineer-in-Charge or his representative, the Engineer-in-Charge and the Employer shall not entertain any claim from contractor for any loss or damages on this account. If the contractor or his authorized representative does not remain present at the time of such measurements after the contractor or his authorized representative has been given a notice in writing three (3) days in advance or fails to countersign or to record objection within a week from the date of the measurement, then such measurements recorded in his absence by the

		Engineer-in-Charge or his representative shall be deemed to be accepted by the Contractor.
	v)	The contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for measurements and recording levels by the Engineer-in-Charge or his representative.
	vi)	In the case of items which are not covered by specifications, measurements shall be taken in accordance with the provisions in CPWD specifications, relevant standard method of measurement issued by the Bureau of Indian Standards (IS 1200) or any other relevant code of practice in order of preference and if for any item no such standard is available, then a mutually agreed method shall be followed.
	vii)	The contractor shall give, not less than seven days' notice to the Engineer-in-Charge or his authorized representative in charge of the work, before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is covered up or placed beyond the reach of measurement and shall not cover up and place beyond reach of measurement any work without consent in writing of the Engineer-in-Charge or his authorized representative in charge of the work who shall within the aforesaid period of seven days inspect the work, and if any work shall be covered up or placed beyond the reach of measurements without such notice having been given or the Engineer-in-Charge's consent being obtained in writing, the same shall be uncovered at the Contractor's expense, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.
	viii)	Engineer-in-Charge or his authorized representative may cause either themselves or through another officer of the department to check the measurements recorded jointly or otherwise as aforesaid and all provisions stipulated herein above shall be applicable to such checking of measurements or levels.
	ix)	It is also a term of this contract that recording of measurements of any item of work in the measurement book and/or its

		payment in the interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the defects liability period.
	CLAUSE 7	
Payment on Interim Certificate to be Regarded as Advances	i)	Interim or running account bills shall be submitted by the contractor for the work executed on the basis of such recorded measurements on the format approved by the Employer. The contractor shall not be entitled to be paid any such interim payment if the gross work done together with net payment/ adjustment of advances for material collected, if any, since the last such payment is less than the amount specified in Schedule 'F', in which case the interim bill shall be prepared only after the requisite progress is achieved. Engineer-in-Charge shall arrange to have the bill verified by taking or causing to be taken, where necessary, the requisite measurements of the work. In the event of the failure of the contractor to submit the bills, Engineer-in-Charge shall prepare or cause to be prepared such bills in which event no claims whatsoever due to delays on payment including that of interest shall be payable to the contractor. Payment on account of amount admissible shall be made by the Engineer-in-Charge certifying the sum to which the contractor is considered entitled by way of interim payment at such rates as decided by the Engineer-in-Charge. The Contractor shall be paid by the Employer from time to time, by instalments under Interim Certificates to be issued by the Engineer-in-Charge to the Contractor on account of the works executed as aforesaid in accordance with this contract, subject, however, to a retention of the percentage of such value named in the Schedule 'F' as "Retention percentage for Interim Certificates" until the total amount retained shall reach the sum named in the Schedule 'F' as "Total Retention Money". The Contractor shall be entitled to the payment of the retention money in accordance with the final certificate to be issued in

		writing by the Engineer-in-Charge at the expiry of the period referred to as “the Defects Liability Period” in clause 17 or as soon as after the expiration of such period as the works shall have been finally completed and all defects made good according to the true intent and meaning hereof whichever shall last happen, provided always that the issue by the Engineer-in-Charge of any Certificate during the progress of the works or at or after their completion shall not relieve the Contractor from his liability under this contract nor relieve the Contractor of his liability in case of fraud, dishonesty or fraudulent concealment relating to the works or materials or to any matter dealt with in the certificate, and in case of all defect and insufficiencies in the works or materials which a reasonable examination would not have disclosed. No certificate of the Engineer-in-Charge shall of itself be conclusive evidence that any works or materials to which it relates are in accordance with the Contract neither will the Contractor have a claim for any amounts which the Engineer-in-Charge might have certified in any interim bill and paid by the Employer and which might subsequently be discovered as not payable and in this respect the Employer’s decision shall be final and binding.
	a)	The contractor, on signing an undertaking on stamp paper in the proforma given at Annex 8, shall be entitled to be paid during the progress of the execution of the work up to 75% of the assessed value of any materials or an amount not exceeding 75% of the material element cost in the tendered rate of the finished item of the work, whichever is lower ,which are in the opinion of the Engineer-in- Charge non-perishable, nonfragile and non-combustible and are in accordance with the contract and which have been brought on the site in connection therewith and are adequately stored and/or protected against damage by weather or other causes but which have not at the time of advance been incorporated in the works. When materials on account of which an advance has been made under this sub-clause are incorporated in the work, the amount of such advance shall be recovered/deducted from the next

		payment made under any of the clause or clauses of this contract. Such secured advance shall also be payable on other items of perishable nature, fragile and combustible with the approval of the Engineer-in-Charge provided the contractor provides a comprehensive insurance cover for the full cost of such materials. The decision of the Engineer- in-Charge shall be final and binding on the contractor in this matter. No secured advance, shall however, be paid on high-risk materials such as ordinary glass, sand, petrol, diesel etc.
	b)	Period of honouring payments are as at Schedule 'F'
	c)	The Employer shall have power to withhold any certificate if the works or any parts thereof are not being carried out to his satisfaction.
	d)	No payment shall be made to the Contractor if the Contractor fails to insure the works and keep them insured till the issue of the Completion Certificate / Defect Liability Period as the case may be.
	e)	The amount admissible shall be paid within the specified period of honouring certificates in the schedule 'F' after the day of presentation of the bill by the Contractor to the Engineer-in-Charge together with the account of the dismantled materials, if any and all required details/ documents. In case of delay in payment of Running Account bills after 30 working days on submission of bill by the contractor, provided the bill submitted by the contractor found to be in order, a simple interest @ 3% per annum shall be paid to the contractor from the date of expiry of prescribed time limit.
	ii)	All such interim payments shall be regarded as payment by way of advances against final payment only and shall not preclude the requiring of bad, unsound and imperfect or unskilled work to be rejected, removed, taken away and reconstructed or re-erected. Any certificate given by the Engineer-in-Charge relating to the work done or materials delivered forming part of such payment, may be modified or corrected by any subsequent such certificate(s) or by the final certificate and shall not by itself be conclusive evidence that any work or materials to which it relates

		is/are in accordance with the contract and specifications. Any such interim payment, or any part thereof shall not in any respect conclude, determine or affect in any way powers of the Engineer-in-Charge under the contract or any of such payments be treated as final settlement and adjustment of accounts or in any way vary or affect the contract.
	iii)	Pending consideration of extension of date of completion, interim payments shall continue to be made as herein provided without prejudice to the right of the Employer to take action under the terms of this contract for delay in the completion of work, if the extension of date of completion is not granted by the competent authority.
	CLAUSE 7A	
Unfixed materials when taken into account to be the property of the Employer		Where in any Certificate (of which the Contractor has received payment), the Engineer-in-Charge has included the value of any unfixed materials intended for and/or placed on or adjacent to the works such materials shall become the property of the Employer and they shall not be removed except for use upon the works, without the written authority of the Engineer-in-Charge. The Contractor shall be liable for any loss of, or damage to, such materials.
	CLAUSE 7B	
		No Running Account Bill shall be paid for the work till the applicable labour licenses, registration with EPFO, ESIC and BOCW Welfare Board, whatever applicable are submitted by the contractor to the Engineer-in-Charge.

While carrying out price adjustments, NO other components such as wastage, transportation, handling, insurance, labour, etc. shall be taken in to account.
CLAUSE 10A (Not Applicable)		
Price Adjustment – Payment on account of variation in Material Prices / Wages	(i)	Where scheduled period of completion is more than one year, in order to take in to account the variations in Material prices and wages during the contract period when the work is in progress, including the justified period extended under the provisions of clause 5 of the contract without any action under clause 2, adjustments in the costs of materials and labour shall be allowed on the basis of formulae as given below) <u>(1) Materials</u> $V_M = 70/100 \{0.88 V - (M)\} \times \{(W_I - W_{I_0})/W_{I_0}\}$ Where V_M = Variation in material cost, i.e., increase or decrease in the amount in Rs to be paid or recovered.

		V = Value of work done excluding advances on materials, if any, during the period under reckoning. M = Cost of materials for which basic rates, if any, are indicated in the tender WI = Average of All India Wholesale Price Index for all commodities for the period under reckoning as published in the RBI Bulletin. WI₀ = All India Wholesale Price Index for all commodities during the month of receipt of final Price Bid of the tender as published in the RBI Bulletin <u>(2) Labour</u> $V_L = 30/100 \{0.88 V - (M)\} \times \{(CI - CI_0)/CI_0\}$ Where V_L = Variation in labour cost, i.e., increase or decrease in the amount in Rs to be paid or recovered. V = As stated in (1) above M = As stated in (1) above CI = Average of Consumer Price Index for industrial workers applicable for declared by Labour Bureau, Government of India as published in the RBI Bulletin during the period under reckoning. CI₀ = Consumer Price Index for industrial workers applicable for declared by Labour Bureau, Government of India as published in RBI Bulletin during the month of receipt of final Price Bid of the tender.
--	--	--

	ii)	The base date for working out such price adjustment shall be the last stipulated date of receipt of Final Price bid of the tenders.
	iii)	The cost of work on which price adjustment will be payable shall be reckoned as below:
	a)	Gross value of work done up to last price adjustment: (A)
	b)	Gross value of work done up to the current date: (B)
	c)	Gross value of work done during the period under reckoning (A-B) = I
	d)	Extra items/deviated quantities of items paid as per Clause 12 Based on prevailing market rates during the period under reckoning: (D)
	k)	Then, Cost of work for which price adjustment is applicable: $V = I - (D)$
	iv)	Materials which are covered by the provision of basic prices/ rates are excluded from the purview under this adjustment.
	v)	Adjustments based on the above formulae will be made for each bill as and when the indices are published. The Contractors shall submit the bill for price adjustment with detailed calculations. Pending availability of firm figures for the indices, the bills may be paid on the basis of provisional figures, subject to adjustments later on.
	vi)	The downward adjustment on account of labour element will be made only if the minimum wages at also register corresponding fall compared to the minimum wages at prevailing in the month of receipt of final price bid of the tenders.
	vii)	The price adjustment clause shall be applicable only for the work executed during the contract period including authorized extension, if any. In case the work is not completed within the contract period including authorized extension and the provision of Compensation for Delay has to be enforced, this adjustment clause will not be applicable for work done during that period. It is also clarified that price adjustment clause will not be applicable to any extra variation items, the rates of which are based on prevailing market rate.

		Contract period shall be reckoned in one stretch without any break from the Commencement Date.
	viii)	In case the bill is submitted to the Employer prior to 15 th of a particular month, index for the previous month will be reckoned for calculating the average indices for arriving at the adjustment. If however, the bill is submitted on or after 15 th , the Indices for that particular month shall be taken into consideration.
	ix)	Price Adjustment bills shall also be treated as bills of the concerned agencies against the Contract and shall attract provisions of Retention Money, Income Tax deductions etc. as stipulated in the contract.

Action in case Work not done as per Specifications	i)	All works under or in course of execution or executed in pursuance of the contract, shall at all times be open and accessible to the inspection and supervision of the Engineer-in-Charge, his authorized subordinates in charge of the work and all the superior officers of the Employer or any organization engaged by the Employer for Quality Assurance and of the Chief Technical Examiner's Office, and the contractor shall, at all times, during the usual working hours and at all other times at which reasonable notice of the visit of such officers has been given to the contractor, either himself be present to receive orders and instructions or have a responsible agent duly accredited in writing, present for that purpose. Orders given to the Contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.
	ii)	If it shall appear to the Engineer-in-Charge or his authorized representatives or to the Superior Officers of the employer or the officers of the organization engaged by the Employer for Quality Assurance or to the Chief Technical Examiner or his subordinate officers, that any work has been executed with unsound, imperfect, or unskilful workmanship, or with materials or articles provided by him for the execution of the work which are unsound or of a quality inferior to that contracted or otherwise not in accordance with the contract, the contractor shall, on

		demand in writing which shall be made within Defects Liability Period stated in schedule 'F' or, if none stated, then within one year after completion of the work, from the Engineer-in-Charge specifying the work, materials or articles complained of notwithstanding that the same may have been passed, certified and paid for forthwith rectify, or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own charge and cost. In the event of him failing to do so within a period specified by the Engineer-in-Charge in his demand aforesaid, then the contractor shall be liable to pay compensation at the same rate as under clause 2 of the contract (for non-completion of the work in time) for this default.
	iii)	In such case the Engineer-in-Charge may not accept the item of work at the rates applicable under the contract but may accept such items at reduced rates as the authority specified in Schedule 'F' may consider reasonable during the preparation of on account bills or final bill if the item is so acceptable without detriment to the safety and utility of the item and the structure or he may reject the work outright without any payment and/or get it and other connected and incidental items rectified, or removed and re-executed at the risk and cost of the contractor. Decision of the Engineer-in-Charge to be conveyed in writing in respect of the same will be final and binding on the contractor.
	CLAUSE 12	
Deviations/ Variations Extent and Pricing		The Engineer-in-Charge shall have power (i) to make alteration in, omissions from, additions to, or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work, and (ii) to omit a part of the works in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to carry out the works in accordance with any instructions given to him in writing signed by the Engineer-in-Charge and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or

		substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided. The Engineer-in-Charge shall be the final authority to decide whether any item of work is extra/ deviation/ substitution item.
	12.1	The time for completion of the works shall, in the event of any deviations resulting in additional cost over the Contract price sum being ordered, be extended, if requested by the contractor, as follows
	i)	In the proportion in which the additional cost of the altered, additional or substituted work (The difference of Final completed cost of work (including the financial impact of all extra, substituted and deviated items but excluding the financial impact due to operation of price adjustment clause) and the Contract price), bears to the original Contract price plus
	ii)	25% of the time calculated in (i) above or such further additional time as may be considered reasonable by the Engineer-in-Charge.
Deviation – Extra Items and Pricing	12.2	A) Items that are completely new, and are in addition to the items contained in the contract
		Where the extra works are not of similar character and/or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative to the amount of the whole of the contract works or to any part thereof shall be such that in the opinion of the Engineer-in-Charge the net rate or price contained in the Priced Schedule of Quantities or tender or for any item of the works involves loss or expense beyond that reasonably contemplated by the Contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Engineer-in-Charge shall fix such other rate or price as in the circumstances he shall think reasonable and proper, with the prior approval in writing of the Employer.

			Where extra work cannot be properly measured or valued, the Contractor shall be allowed day work prices as the net rates stated in the tender of the Priced Schedule of Quantities or, if not so stated, then in accordance with the local day work rates and wages for the district, provided that in either case vouchers specifying the daily time (and if required by the Engineer-in-Charge, the workman's name) and materials employed be delivered for verification to the Engineer-in-Charge or his representative at or before the end of the week following that in which the work has been executed.
			In the case of extra item(s) (items that are completely new, and are in addition to the items contained in the contract), the contractor may within fifteen (15) Calendar days of receipt of order or occurrence of the item(s) claim rates, supported by proper market rate analysis (CPWD method shall be followed as far as possible) supported by invoices, vouchers etc. worked on the "actual cost basis" plus 15% towards establishment charges, contractor's overhead and profit and the Engineer-in-Charge shall within prescribed time limit of the receipt of the claims supported by analysis, after giving consideration to the analysis of the rates submitted by the contractor, determine the rates on the basis of the market rates and the contractor shall be paid in accordance with the rates so determined.
Deviation – Substituted Items and Pricing		B)	Items that are taken up with partial substitution or in lieu of items of work in the contract
			In the case of substituted items (items that are taken up with partial substitution or in lieu of items of work in the contract), the rate for the agreement item (to be substituted) and substituted item shall, wherever possible, be derived out of the rates given in priced schedule of quantities, in the manner as mentioned in the following para.
		a)	The net rates or prices in the original tender shall determine the valuation of the extra work where such

			extra work is of similar character and executed under similar conditions as the work priced therein.
		b)	The net prices of the original tender shall determine the value of the items omitted provided if omissions vary the conditions under which any remaining items of works are carried out the prices for the same shall be valued under sub-clause (A) thereof.
		c)	If the market rate for the substituted item so determined is more than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so increased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).
		d)	If the market rate for the substituted item so determined is less than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so decreased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).
Deviation – Deviated Quantities and Pricing		C)	In the case of contract items, substituted items, contract cum substituted items which exceed the pre-specified limits over the tender quantity
			In the case of contract items, substituted items, contract cum substituted items, which exceed the pre-specified limits laid down in Schedule 'F', the contractor may within fifteen (15) calendar days of receipt of order or occurrence of the excess, claim revision of the rates, supported by proper rate analysis (CPWD method shall be followed as far as possible) worked on the "actual cost basis" plus 15% towards establishment charges, contractor's overhead and profit for the work in excess of the above mentioned limits, provided that if the rates so claimed are in excess of the rates specified in the schedule of quantities, the Engineer-

		in-Charge shall within prescribed time limit of receipt of the claims supported by analysis, after giving consideration to the analysis of the rates submitted by the contractor, determine the rates on the basis of the market rates and the contractor shall be paid in accordance with the rates so determined.
		The provisions of the preceding paragraph shall also apply to the decrease in the rates of items for the work in excess of the limits laid down in Schedule F.
		The Engineer-in-Charge shall within prescribed time limit of receipt of the claims supported by analysis, after giving consideration of analysis of rates submitted by the contractor, determine the rates on the basis of the market rates (as per invoice, vouchers from the manufacturers or suppliers submitted by the contractor and duly verified by the Engineer-in-Charge or his representative) and the contractor shall be paid in accordance with the rates so determined.
	12.3	The prescribed time limit for finalising rates for Extra Item(s), Substitute Item(s) and Deviated Quantities of contract items is forty-five (45) Calendar days.
	12.4	The contractor shall send to the Engineer-in-Charge once every three months, an up-to-date account giving complete details of all claims for additional payments to which the contractor may consider himself entitled and of all additional work ordered by the Engineer-in-Charge which he has executed during the preceding quarter failing which the contractor shall be deemed to have waived his right. However, the Employer may authorise consideration of such claims on merits.
	12.5	Any operation incidental to or necessarily has to be in contemplation of Tenderer while filing tender, or necessary for proper execution of the item included in the Schedule of quantities or in the schedule of rates mentioned above, whether or not, specifically indicated in the description of the item and the relevant specifications, shall be deemed to be included in the

		rates quoted by the Tenderer or the rate given in the said schedule of rates, as the case may be. Nothing extra shall be admissible for such operations.
	CLAUSE 13	
Foreclosure of contract due to Abandonment or Reduction in Scope of Work	If at any time after acceptance of the tender, Employer shall decide to abandon or reduce the scope of the works for any reason whatsoever and hence not require the whole or any part of the works to be carried out, the Engineer-in-Charge shall give notice in writing to that effect to the contractor and the contractor shall act accordingly in the matter. The contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.	
	The contractor shall be paid at contract rates, full amount for works executed at site and, in addition, a reasonable amount as certified by the Engineer-in-Charge for the items hereunder mentioned which could not be utilized on the work to the full extent in view of the foreclosure;	
	i)	Employer shall have the option to take over contractor's materials or any part thereof either brought to site or at workshop (factory) or of which the contractor is legally bound to accept delivery from suppliers (for incorporation in or incidental to the work) provided, however Employer shall be bound to take over the materials or such portions thereof as the contractor does not desire to retain. For materials taken over or to be taken over by Employer, cost of such materials as detailed by Engineer-in- Charge shall be paid. The cost shall, however, take into account purchase price, labour in fabrication & installation, cost of transportation and deterioration or damage which may have been caused to materials whilst in the custody of the contractor.
	The contractor shall, if required by the Engineer-in-Charge, furnish to him, books of account, wage books, time sheets and other relevant documents and evidence as may be necessary to enable him to certify the reasonable amount payable under this condition. In the event of action being taken under Clause 13 to reduce the scope of work, the contractor may furnish fresh Performance Guarantee on	

	the same conditions, in the same manner and at the same rate for the balance tendered amount and initially valid up to the extended date of completion or stipulated date of completion if no extension has been granted plus Defect Liability Period plus 2 months beyond that. Wherever such a fresh Performance Guarantee is furnished by the contractor the Engineer-in-Charge may return the previous Performance Guarantee.	
	CLAUSE 14	
Carrying out part work at risk & cost of contractor	If contractor:	
	i)	At any time makes default during currency of work or does not execute any part of the work with due diligence and continues to do so even after a notice in writing of 7 days in this respect from the Engineer-in-Charge or
	ii)	Commits default in complying with any of the terms and conditions of the contract and does not remedy it or takes effective steps to remedy it within 7 days even after a notice in writing is given in that behalf by the Engineer-in-Charge or
	iii)	Fails to complete the work(s) or items of work with individual dates of completion, on or before the date(s) so determined and does not complete them within the period specified in the notice given in writing in that behalf by the Engineer-in-Charge.
	The Engineer- in-Charge without invoking action under clause 3 may, without prejudice to any other right or remedy against the contractor which have either accrued or accrue thereafter to Employer, by a notice in writing to take the part work / part incomplete work of any item(s) out of his hands and shall have powers to:	
	a)	Take possession of the site and any materials, implements, stores, etc., thereon; and/or
	b)	Carry out the part work / part incomplete work of any item(s) by any means at the risk and cost of the contractor.
	The Engineer-in-Charge shall determine the amount, if any, is recoverable from the contractor for completion of the part work/ part incomplete work of any item(s) taken out of his hands and execute at the risk and cost of the contractor. In addition to it, the liability of contractor on account of loss or damage suffered by Employer	

	because of action under this clause shall not exceed 10% of the Contract price of the work.
	In determining the amount, credit shall be given to the contractor with the value of work done in all respect in the same manner and at the same rate as if it had been carried out by the original contractor under the terms of his contract, the value of contractor's materials taken over and incorporated in the work and use of plant and machinery belonging to the contractor. The certificate of the Engineer-in-Charge as to the value of work done shall be final and conclusive against the contractor provided always that action under this clause shall only be taken after giving notice in writing to the contractor. Provided also that if the expenses incurred by the Employer are less than the amount payable to the contractor at his agreement rates, the difference shall not be payable to the contractor.
	Any excess expenditure incurred or to be incurred by Employer in completing the part work/ part incomplete work of any item(s) or the excess loss of damages suffered or may be suffered by Employer as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to Employer in law or as per agreement be recovered from any money due to the contractor on any account, and if such money is insufficient, the contractor shall be called upon in writing and shall be liable to pay the same within thirty (30) Calendar days.
	If the contractor fails to pay the required sum within the aforesaid period of thirty (30) Calendar days, the Engineer-in-Charge shall have the right to sell any or all of the contractor's' unused materials kept at site etc. and adjust the proceeds of sale thereof towards the dues recoverable from the contractor under the contract and if thereafter there remains any balance outstanding, it shall be recovered in accordance with the provisions of the contract.
	In the event of above course being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagements or made any advance on any account or with a view to the execution of the work or the performance of the contract.
	CLAUSE 15

Suspension of Work	i)	The contractor shall, on receipt of the order in writing of the Engineer-in-Charge, (whose decision shall be final and binding on the contractor) suspend the progress of the works or any part thereof for such time and in such manner as the Engineer-in-Charge may consider necessary so as not to cause any damage or injury to the work already done or endanger the safety thereof for any of the following reasons:	
		a)	on account of any default on the part of the contractor or
		b)	for proper execution of the works or part thereof for reasons other than the default of the contractor or
		c)	for safety of the works or part thereof. The contractor shall, during such suspension, properly protect and secure the works to the extent necessary and carry out the instructions given in that behalf by the Engineer-in-Charge.
	ii)	If the suspension is ordered for reasons (b) and (c) in sub-para (i) above:	
		a)	the contractor shall be entitled to an extension of time equal to the period of every such suspension PLUS 25%, for completion of the item or group of items of work for which a separate period of completion is specified in the contract and of which the suspended work forms a part, and
		b)	If the total period of all such suspensions in respect of an item or group of items or work for which a separate period of completion is specified in the contract exceeds thirty days, the contractor shall, in addition, be entitled to such compensation as the Engineer-in-Charge may consider reasonable in respect of salaries and/or wages paid by the contractor to his employees and labour at site, remaining idle during the period of suspension, adding thereto 2% to cover indirect expenses of the contractor provided the contractor submits his claim supported by details to the Engineer-in-Charge within fifteen days of the expiry of the period of 30 days.
	iii)	If the works or part thereof is suspended on the orders of the Engineer-in-Charge for more than three months at a time, except	

		when suspension is ordered for reason (a) in sub-para (i) above, the contractor may after receipt of such order serve a written notice on the Engineer-in-Charge requiring permission within fifteen days from receipt by the Engineer- in-Charge of the said notice, to proceed with the work or part thereof in regard to which progress has been suspended and if such permission is not granted within that time, the contractor, if he intends to treat the suspension, where it affects only a part of the works as an omission of such part by Employer or where it affects whole of the works, as an abandonment of the works by Employer, shall within ten days of expiry of such period of 15 days give notice in writing of his intention to the Engineer-in-Charge. In the event of the contractor treating the suspension as an abandonment of the contract by Employer, he shall have no claim to payment of any compensation on account of any profit or advantage which he might have derived from the execution of the work in full but which he could not derive in consequence of the abandonment. He shall, however, be entitled to such compensation, as the Engineer-in-Charge may consider reasonable, in respect of salaries and/or wages paid by him to his employees and labour at site, remaining idle in consequence adding to the total thereof 2% to cover indirect expenses of the contractor provided the contractor submits his claim supported by details to the Engineer-in-Charge within 30 days of the expiry of the period of 3 months.
Dismantled Material Employer's property	CLAUSE 16 The contractor shall treat all materials obtained during dismantling work at site (except material mentioned in Bill of quantity under rebate item and debris) etc. as Employer's property and such materials shall be disposed of as per the specific instructions in this regard or in absence of the same to the best advantage of Employer according to the instructions in writing issued by the Engineer-in-Charge.	
	CLAUSE 17	
Contractor Liable for Damages, defects during	i)	If the contractor or his working people shall break, deface, injure or destroy any part of building in which they may be working, or any building, road, road kerb, fence, enclosure, water pipe, cables, drains, electric or telephone post or wires, trees, grass

defect liability period	or grassland, or cultivated ground contiguous to the premises on which the work or any part is being executed, or if any damage shall happen to the work while in progress, from any cause whatever or if any defect, or other faults appear in the work within Defects Liability Period stated in schedule 'F' or, if none stated, then within one year after a certificate of virtual completion shall have been given by the Engineer- in-Charge as aforesaid arising out of defect or improper materials or workmanship, the contractor shall upon receipt of a notice in writing on that behalf and within such reasonable times as shall be specified therein, make the same good at his own expense or in case of default the Engineer-in-Charge may employ and pay other persons to amend and make good such defects or other faults and all damages, loss and expenses consequent thereon or incidental thereto shall be made good and borne by the Contractor and such damage, loss, expenses shall be recoverable from him by the Employer or may be deducted by the Employer, upon the Engineer-in-Charge's Certificate in writing, from any money due or may become due to the Contractor, or the Employer may in lieu of such amending and making good by the Contractor deduct from any money due to the Contractor, a sum, to be determined by the Engineer-in-Charge equivalent to the cost of amending such work and in the event of the amount retained as Security Deposit being insufficient, recover the balance from the Contractor, together with any expenses the Employer may have incurred in connection therewith. Should any defective work have been done or material supplied by any sub-contractor employed on the works who has been nominated or approved by the Employer, the Contractor shall be liable to make good in the same manner as if such work or material had been done or supplied by the Contractor and been subject to the provisions of this Clause. The Contractor shall remain liable under the provisions of this Clause notwithstanding the signing of any certificate or the passing of any accounts, by the Employer. The security deposit of the contractor shall not be refunded before
-------------------------	--

		the expiry of the Defect Liability Period after the issue of the certificate final or otherwise, as provided elsewhere.
	ii)	In case of Maintenance and Operation works of E&M services, the security deposit deducted from contractors shall be refunded within one month from the date of final payment or within one month from the date of completion of the maintenance contract whichever is earlier.
	Clause 18	
Setting out of works	The Contractor shall set out the works and shall be responsible for the true and perfect setting out of the same and for the correctness of the positions, levels, dimensions and alignment of all parts thereof. If at any time, any error in this respect shall appear during the progress of the works or within the Defect Liability Period after completion of the works, the Contractor shall, if so required, at his own expense rectify such error to the satisfaction of the Engineer-in-Charge. The checking of any setting-out or of any line or level by the Engineer-in-Charge or his representative shall not in any way relieve the Contractor of his responsibility for the correctness thereof and the Contractor shall carefully protect and preserve all benchmarks, sight rails, pegs and other things used in setting out the works.	
	CLAUSE 19	
All relevant Statutory Laws to be complied by the Contractor	i)	The contractor shall comply with provisions of all relevant laws in connection with the work, as may be applicable viz. Contract Labour (R&A) Act, 1970, Contract Labour (Regulation and Abolition) Central Rules, 1971, Minimum Wages (Central) Rules 1950, Child Labour (Prohibition and Regulation) Act 1986, Payment of Wages Act 1936, Minimum Wages Act 1948, ESI Act 1948, EPF Act 1952, Employees Liability Act 1938, Workmen's Compensation Act 1923, Industrial Disputes Act 1947, Maternity Benefits Act 1961, Building and other Construction Workers (Regulation of Employment & Conditions of Service) Act 1996, Building and other Construction Workers Act 1996, or the modifications thereof or any other relevant laws and rules made thereunder from time to time etc. (Schedule I). All applicable labour licenses etc. shall be obtained by the

		Contractor before the commencement of the work and continue to have a valid license until the completion of the work.
	ii)	Any failure to fulfil these requirements shall attract the penal provisions of the concerned Act and Contractor shall be liable to face the consequences thereof in addition to any other penal provisions of this contract. The contractor shall indemnify the Employer for any loss caused due to non-compliance with any of the provisions of laws applicable.
	iii)	The contractor shall indemnify as per the format provided at Annex 6 and keep indemnified the Employer against payments to be made under and for the observance of the laws aforesaid without prejudice to his right to claim indemnity from his sub-contractors.
	iv)	No labour below fourteen years shall be employed at the work.
	v)	The laws aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a breach of this contract.
Payment of wages	CLAUSE 19A	
	i)	The contractor shall pay to labour employed by him either directly or through subcontractors, wages not less than fair wages as per the provisions of the Contract Labour (Regulation and Abolition) Act, 1970 and the contract Labour (Regulation and Abolition) Central Rules, 1971, wherever applicable.
	ii)	The contractor shall, notwithstanding the provisions of any contract to the contrary, cause to be paid fair wage to labour indirectly engaged on the work, including any labour engaged by his sub-contractors in connection with the said work, as if the labour had been immediately employed
	iii)	In respect of all labour directly or indirectly employed in the works for performance of the contractor's part of this contract, the contractor shall comply with or cause to be complied with the Labour Regulations made by Government from time to time in regard to payment of wages, wage period, deductions from wages, recovery of wages not paid and deductions unauthorizedly made, maintenance of wage books or wage slips, publication of scale of wages and other terms of

		employment, inspection and submission of periodical returns and all other matters of the like nature or as per the provisions of the Contract Labour (Regulation and Abolition) Act, 1970, and the Contract Labour (Regulation and Abolition) Central Rules, 1971, wherever applicable.
	iv)	a) The Engineer-in-Charge concerned shall have the right to deduct from the moneys due to the contractor any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-fulfilment of the conditions of the contract for the benefit of the workers, non-payment of wages or of deductions made from his or their wages which are not justified by their terms of the contract or non-observance of the Regulations. b) Under the provision of Minimum Wages (Central) Rules, 1950, the contractor is bound to allow to the labours directly or indirectly employed in the works one day rest for 6 days continuous work and pay wages at the same rate as for duty. In the event of default, the Engineer-in-Charge shall have the right to deduct the sum or sums not paid because of wages for weekly holidays to any labours and pay the same to the persons entitled thereto from any money due to the contractor.
	v)	The contractor shall indemnify as per the approved format and keep indemnified the Employer against payments to be made under and for the observance of the laws aforesaid without prejudice to his right to claim indemnity from his sub-contractors.
	vi)	The laws aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a breach of this contract.
	vii)	The contractor shall ensure that no amount by way of commission or otherwise is deducted or recovered from the wage of workmen.
	CLAUSE 19 B In respect of all labour directly or indirectly employed in the work for the performance of the contractor's part of this contract, the contractor shall	

	at his own expense arrange for the safety provisions as per the Safety Code annexed and shall also at his own expense provide for all facilities inconnection therewith.
	CLAUSE 19 C The decision of the Employer shall be final in deducting from any bill due to the contractor, the amount levied as fine if any by relevant statutory authorities and be binding on the contractor.
	CLAUSE 19 D In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this contract, the contractor shall comply with or cause to be complied with all the rules framed by Government from time to time for the protection of health and sanitary arrangements for workers employed by him/her.
	CLAUSE 19 E The Engineer-in-Charge may require the contractor to dismiss or remove from the site of the work any person or persons in the contractor's employment upon the work who may be incompetent or misconduct himself and the contractor shall forthwith comply with such requirements. In respect of execution works where the labour has an easy access to the individual floors of building, the contractor shall issue identity cards to the labourers, whether temporary or permanent and he shall be responsible for any untoward action on the part of such labour
	CLAUSE 19 F i) It shall be the responsibility of the contractor to see that the site under work is not occupied by anybody unauthorizedly during execution of work, and is handed over to the Engineer-in-Charge with vacant possession of the site. If such site though completed is occupied illegally, then the Engineer-in-Charge shall have the option to refuse to accept the said site in that position. Any delay in acceptance on this account will be treated as the delay in completion and for such delay, the provisions of clause 2 shall be applied by the Employer whose decision shall be final both with regard to the justification and quantum and be binding on the contractor.

	ii) However, the Employer, through a notice, may require the contractor to remove the illegal occupation any time on or before handing over.
	CLAUSE 19 G
Ensuring Payment and Amenities to Workers if contractor fails	In every case in which by virtue of the provisions of the Contract Labour (Regulation and Abolition) Act, 1970, and of the Contract Labour (Regulation and Abolition) Central Rules, 1971, Employer is obliged to pay any amounts of wages to a workman employed by the contractor in execution of the works, or to incur any expenditure in providing welfare and health amenities required to be provided under the above said Act and the rules framed by Government from time to time for the protection of health and sanitary arrangements for workers employed by. Contractor shall submit certificate annexure hereto as Annex 13 along with all running bills and final bill
	CLAUSE 19 H
Contribution of EPF and ESI	The ESI and EPF contributions on the part of employer in respect of this contract shall be paid by the contractor. The quoted rate shall be inclusive of these amounts. The contractor shall submit the details of registration of labour for EPF and ESI and documents evidencing these payments shall be submitted every month.
	CLAUSE 20

Authorities and Notices	i)	The Contractor shall conform to the provisions of any Act of the Legislature relating to the work, and to the regulations and bye-laws of any authority, and of any water, electric supply and other companies and/or authorities with whose systems the structure is proposed to be connected and shall before making any variations from the Drawing or Specifications that may be necessitated by so conforming give to the Employer written notice, specifying the variation proposed to be made and the reason for making it and apply for instructions thereon.
	ii)	The Contractor shall bring to the attention of the Employer all notices required by the said Acts, regulations or bye-laws to be given to any authority and pay to such authority, or to any public office all fees that may be properly chargeable in respect of the works, and lodge the receipts with the Employer.
	CLAUSE 21	
Work not to be sublet. Action in case of insolvency	The whole of the works included in the contract shall be executed by the Contractor and the Contract or any part/share thereof or any interest therein shall not be assigned or sublet without the prior written consent of the Employer, and no undertaking shall relieve the Contractor from the full and entire responsibility of the Contract or from active superintendence of the works during their progress. And if the contractor shall assign or sublet his contract, or attempt to do so, or become insolvent or commence any insolvency proceedings or make any composition with his creditors or attempt to do so, or if any bribe, gratuity, gift, loan, perquisite, reward or advantage pecuniary or otherwise, shall either directly or indirectly, be given, promised or offered by the contractor, or any of his servants or agent to any public officer or person in the employment of the Employer in any way relating to his office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineer-in-Charge on behalf of the Employer shall have power to adopt the course specified in Clause 3 hereof in the interest of Employer and in the event of such course being adopted, the consequences specified in the said Clause 3 shall ensue.	
	CLAUSE 22	

Changes in firm's Constitution to be intimated	Where the contractor is a partnership firm, the previous approval in writing of the Engineer-in-Charge shall be obtained before any change is made in the constitution of the firm. Where the contractor is an individual or a Hindu undivided family business concern, such approval as aforesaid shall likewise be obtained before the contractor enters into any partnership agreement where under the partnership firm would have the right to carry out the works hereby undertaken by the contractor. If previous approval as aforesaid is not obtained, the contract shall be deemed to have been assigned in contravention of Clause 21 hereof and the same action may be taken, and the same consequences shall ensue as provided in the said Clause 21.

	CLAUSE 24

Settlement of Disputes & Arbitration	Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, design, drawings and instructions here-in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:	
	i)	The decision, opinion, direction, certificate of payment issued by the Bank's Engineer in respect of all or any of the excepted matters as provided in the contract shall be final, conclusive and binding on the parties hereto and shall be without appeal. Such decision be in the form of a final certificate or otherwise.
	ii)	If a dispute of any kind arises between the Bank and the contractor/ counterparty in connection with or arising out of the contract or the execution of the works, the parties must attempt to resolve it amicably by way of mutual discussions, in good faith, within a period of 30 days from the date on which any party gives the other party a notice to negotiate /engage in amicable discussions. For this purpose, the Bank shall constitute a Dispute Resolution committee (DRC) which will interact with the contractor / consultant to find an amicable solution. The resolution of the DRC shall be communicated to the contractor within 30 days after the matter is referred to DRC.
	iii)	If an amicable settlement is not forthcoming within the aforesaid period, then the dispute shall then be referred to and finally resolved through arbitration or conciliation as per the Arbitration and Conciliation Act 1996, as amended from time to time. The award passed by the arbitrator shall be binding on the parties and shall apply to the contract.

	iv)	If any or both parties are not in agreement with the resolution given by DRC, the matter shall be referred to Arbitration. A written notice by the aggrieved party to the other party requiring that the matters in dispute be arbitrated upon. Such written notice shall specify the matters, which are in dispute or difference of which such written notice has been given. If both the parties agree, a single arbitrator would be appointed for the purpose. In case there is no agreement on the appointment of arbitrator, the employer shall prepare a panel of three persons names and forward to the contractor to select one among them as arbitrator. The arbitrator so appointed/selected shall confine himself only to the dispute/difference referred to him while adjudicating and pronouncing his decision. The arbitrator shall make his award within one year (or such further extended time as may be decided by him as the case may be with the consent of the parties) from the date of entering on the reference. In case during the arbitration proceedings the parties mutually settle or compromise their dispute or difference, on the parties filing their joint memorandum of the settlement or compromise, the arbitrator shall make an award in terms of such settlement or compromise. Upon any such reference, the decision on the cost incidental to the reference and award respectively shall be in the discretion of the arbitrator as the case may be, who may determine the amount thereof or direct the same to be taxed as between the parties and shall direct by whom and to whom and in what manner the same shall be borne and paid. This submission shall be deemed to be a submission to arbitration within the meaning of the Indian Arbitration and Conciliation Act, 1996 or any statutory modification thereof. The award of the arbitrator shall be final and binding on the parties. It is agreed that the contractor shall not delay the carrying out of the works by reason of any such matter, question or dispute being referred to arbitration, but shall proceed with the works with all due
--	-----	--

		diligence and shall until the decision of the arbitrator is given, abide by the decision of the Employer. No award of the arbitrator shall relieve the contractor of his obligations to adhere strictly to the Employer's instructions with regard to the actual carrying out of the works. The Employer and the contractor hereby also agree that arbitration under this clause shall be a condition precedent to any right of action under the contract. The place of Arbitration shall be Mumbai, India.
	(v)	No dispute shall be referred to Arbitration after expiry of 30 days from the date of receipt of decision of DRC, if notified, or from the date when the DRC ought to have given their decision in case of failure on the part of the DRC to give notice of decision.

	Retention percentage – 5% from every bill subject to 5% of the contract price.	
	Total Retention Money – 5% of the contract price	

Compensation for Delay	CLAUSE 2
	Authority for fixing compensation under clause 2: The Regional Director, Reserve Bank of India, Estate Cell, Byculla
	Compensation for Delay (i) The work shall throughout the stipulated period of the contract be proceeded with all due diligence and if the Contractor fails to complete the work within the specified period he/they shall be liable to pay compensation for delay at the rate of 0.25% of the Estimated Cost per week (to be computed on per day basis) subject to a maximum amount of 10% of the contract price. (ii) The compensation for delay will be levied in following manner: “If the Contractor fails to maintain the required progress of the works by the completion time stipulated in the Contract or within any extended time under time extension Clause and the employer certifies in writing that in her/ his opinion the same ought reasonably to have been completed, the Contractor shall pay the Employer the sum named as “Liquidated Damages” (compensation for delay) for the period during which the said works shall so remain incomplete and the Employer may deduct such damages from any moneys due to the Contractor. The projects falling under this category shall be broken down in at least three suitable milestones clearly indicating time and amount for achieving each milestone. In case, the contractor does not achieve a particular milestone(s), if any, mentioned in the Contract or rescheduled milestone(s) in terms of time extension clause, the amount to be calculated based on the targeted financial progress for the milestone and the delay upto the Running Account bill under processing shall be withheld (as per the method given below) to be adjusted against the liquidated damages (compensation for delay) levied at the time of completion of contract. Withholding of payments on failure to

achieve a milestone shall be automatic and without any notice to the Contractor. However, if the Contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make-up for the delay before the subsequent milestone(s), the amount mentioned against each missed milestone shall also be withheld. No interest whatsoever shall be paid by the Bank on such withheld amount/s. The delay period shall be calculated from the stipulated date of occurrence of a milestone until the date when the milestone is actually achieved, however, the amount to be withhold from a R.A. bill before reaching to a particular milestone(s) shall be calculated for the delay until the date of R.A. bill. The application of liquidated damages (compensation for delay) shall not effect a change in the milestone or release the Contractor of her/ his obligation to improve the progress of work. The contractor hereby specifically agrees and authorizes the Employer to deduct such liquidated damages (compensation for delay), if any, from any instalment of payment becoming due and payable to the contractor in terms of this contract or from the retention money.

(iii) Milestone Chart:

Amount to be withheld in case of non-achievement the Milestone will be done as under:

Milestones	Due date	Milestone Target amount (T)
Project Start	D0-Schedule Date of start of work as per work order	0
1st	D1- 45 days after D0	1500000
2nd	D2 -75 days after D0	4000000
3rd	D3- 105 days after D2	5800000
4th	D5-Schedule date of completion as per work order	

Say a RA bill received on $D_{(R)}$ is certified for gross amount of R where:

- i. $T_{(N-X)} \leq R < T_{(N-X+1)}$ i.e. Progress reached up to $(N-X)_{th}$ milestone
- ii. RA Bill date $D_{(R)}$ is after $D_{(N)}$ i.e. N_{th} milestone has become due as on RA bill date
- iii. Say, the liquidated damages is 0.25% per week of delay.

	iv. Withhold amount for not achieving N th milestone $A_{(N)} = (0.0025/7) * (D_R - D_N) * (T_N - T_{(N-1)})$ where $T_{(N-1)}$ will be zero if N th milestone is the first in the series of delayed milestones Note: (i) The withhold amount against not achieving milestone would remain withhold unless a milestone due on the RA bill date is achieved. (ii) The withhold amount would be released in case of achieving all due milestones on the RA bill date An illustration ^{&} for explanation of the above is given at the end of this Schedule.

1. General

This pre-bid pre-contract Agreement (hereinafter called the "Integrity Pact") is made on _____ day of the month of _____ 2025 between, on one hand, the Reserve Bank of India, Estate Department, Estate Cell, Byculla acting through Shri _____, Regional Director, Reserve Bank of India, Estate Department, Estate Cell, Byculla (hereinafter called the "PRINCIPAL", which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/s _____ represented by Mr / Ms _____,(Add designation of the APPLICANT) (hereinafter called the "APPLICANT" which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS the PRINCIPAL proposes to invite tender for the External Waterproof Painting and providing and fixing new uPVC pipelines (external) in place of old damaged GI and CI lines of G and H building at the Bank's Staff Quarters at Byculla, Mumbai and the APPLICANT is willing to offer/has offered the services and

WHEREAS the APPLICANT is a (please indicate category e.g. private company/ public company/ Government undertaking/ partnership, etc.) constituted in accordance with the relevant law in the matter and the PRINCIPAL is a statutory body performing its functions under the Reserve Bank of India Act, 1934 and other relevant legislations.

NOW, THEREFORE,

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:

Enabling the PRINCIPAL to receive the desired services at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and Enabling APPLICANT to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the PRINCIPAL will commit to prevent corruption, in any form, by its officials by following transparent procedures. The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

2. Commitments of the PRINCIPAL

2.1.1 The PRINCIPAL undertakes that no official of the PRINCIPAL, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the APPLICANT, either for themselves or for any person, organisation or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

2.1.2 The PRINCIPAL will, during the pre-contract stage, treat all APPLICANTs alike, and will provide to all APPLICANTs the same information and will not provide any such information to any particular APPLICANT which could afford an advantage to that particular APPLICANT in comparison to other APPLICANTs.

2.1.3 All the officials of the PRINCIPAL will report to the appropriate authority any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.

2.2 In case any such preceding misconduct on the part of such official(s) is reported by the APPLICANT to the PRINCIPAL with full and verifiable facts and the same is prima facie found to be correct by the PRINCIPAL necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the PRINCIPAL and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the PRINCIPAL the proceedings under the contract would not be stalled.

3. Commitments of APPLICANT

3.1 The APPLICANT commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following:

3.1.1 The APPLICANT will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the PRINCIPAL, connected directly or indirectly with the bidding process, or to any person, organisation or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.

3.1.2 The APPLICANT further undertakes and declares/represents that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the PRINCIPAL or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the PRINCIPAL for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the PRINCIPAL

3.1.3 APPLICANT shall disclose in writing the name and address of representatives and Indian APPLICANTS shall disclose their foreign principals or associates.

3.1.4 APPLICANT shall disclose in writing the payments to be made by them to any intermediary, in connection with this bid/contract.

3.1.5 The APPLICANT, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose in writing payments, if any, he has made / is committed to or intends to make to officials of the PRINCIPAL or their family members or any other intermediaries in connection with the contract or otherwise and the details of services agreed upon for such payments.

3.1.6 The APPLICANT will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.

3.1.7 The APPLICANT will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.

3.1.8 The APPLICANT shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the PRINCIPAL as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier, without written consent of the PRINCIPAL. The APPLICANT also undertakes to exercise due and adequate care lest any such information is divulged.

3.1.9 The APPLICANT commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.

3.1.10 The APPLICANT shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.

3.1.11 If the APPLICANT or any employee of the APPLICANT or any person acting on behalf of the APPLICANT, either directly or indirectly, is a relative of any of the officers of the PRINCIPAL, or alternatively, if any relative of an officer of the PRINCIPAL has financial interest/stake in the APPLICANT's firm, the same shall be disclosed in writing by the APPLICANT at the time of filing of tender. The term 'relative' for this purpose would be as defined in Section 2(77) of the Companies Act, 2013 of India.

3.1.12 The APPLICANT shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the PRINCIPAL

4. Previous Transgression

4.1 The APPLICANT declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company/entity in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify APPLICANT's exclusion from the tender process.

4.2 The APPLICANT agrees that if it makes incorrect statement on this subject, APPLICANT can be disqualified from the procurement process or the contract, if already awarded, can be terminated for such reason.

5. Earnest Money (Security Deposit)

5.1 While submitting the Bid in the main tender, the APPLICANT shall deposit an amount as may be specified by the PRINCIPAL in the main tender (as Earnest Money/Security Deposit) with the PRINCIPAL through instruments, the detail of which along with the amount will be notified by the PRINCIPAL in the main tender.

5.2 In case of the successful APPLICANT, a clause would also be incorporated in the Article pertaining to Performance Bond (Performance Guarantee and / or Security Deposit) in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the PRINCIPAL to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

6. Sanctions for Violations

6.1 Any breach of the aforesaid provisions by the APPLICANT or anyone employed by it or acting on its behalf (whether with or without the knowledge of the APPLICANT) shall entitle the PRINCIPAL to take all or any one of the following actions, wherever required:

6.1.1 To immediately call off the precontract negotiations / proceedings with applicant without assigning any reason or giving any compensation to the APPLICANT. However, the proceedings with the other APPLICANT(s) would continue.

6.1.2 The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the PRINCIPAL and the PRINCIPAL shall not be required to assign any reason therefore.

6.1.3 To immediately cancel the contract, if already signed, without giving any compensation to the APPLICANT.

6.1.4 To recover all sums already paid by the PRINCIPAL, and in case of an Indian APPLICANT with interest thereon at 2% higher than the prevailing six months Marginal Cost of funds-based Lending Rate (MCLR) of State Bank of India, while in case of APPLICANT from a country other than India with interest thereon at 2% higher than the six months LIBOR. If any outstanding payment is due to the APPLICANT from the PRINCIPAL in connection with any other contract for any other stores, such outstanding payment could also be utilised to recover the aforesaid sum and interest.

6.1.5 To encash the advance bank guarantee and performance bond/warranty bond, if furnished by the APPLICANT, in order to recover the payments, already made by the PRINCIPAL, along with interest.

6.1.6 To cancel all or any other Contracts with the APPLICANT. The APPLICANT shall be liable to pay compensation for any loss or damage to the PRINCIPAL resulting from such cancellation/rescission and the PRINCIPAL shall be entitled to deduct the amount so payable from the money(s) due to the APPLICANT.

6.1.7 To debar the APPLICANT from participating in future bidding processes of the PRINCIPAL for a minimum period of five years, which may be further extended at the discretion of the PRINCIPAL.

6.1.8 To recover all sums paid in violation of this Pact by APPLICANT(s) to any middleman or agent or broker or any other intermediary with a view to securing the contract. In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the PRINCIPAL with the APPLICANT, the same shall not be opened.

6.1.9 Forfeiture of Performance Bond in case of a decision by the PRINCIPAL to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

6.2 The PRINCIPAL will be entitled to take all or any of the actions mentioned at para 6.1.1 to 6.1.9 of this Pact also on the commission by the APPLICANT or any one employed by it or acting on its behalf (whether with or without the knowledge of the APPLICANT), of an offence as defined in Chapter IX of the Indian Penal code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

6.3 The decision of the PRINCIPAL to the effect that a breach of the provisions of this Pact has been committed by the APPLICANT shall be final and conclusive on the APPLICANT. However, the APPLICANT can approach the Independent Monitor(s) appointed for the purposes of this Pact.

7. Fall Clause:

The APPLICANT undertakes that it has not supplied/is not supplying similar product/systems or subsystems at a price lower than that offered in the present bid in respect of any other Ministry/Department of the Government of India or PSU or any other unit owned by Government of India / the PRINCIPAL and if it is found at any stage that similar product/systems or sub systems was supplied by the APPLICANT to any Ministry/Department of the Government of India or a PSU or any other unit owned by Government of India / the PRINCIPAL at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the APPLICANT to the PRINCIPAL, if the contract has already been concluded.

8. Independent Monitors

8.1 The PRINCIPAL has appointedas Independent monitors (hereinafter referred to as Monitor/s) for this Pact.

8.2 The task of the Monitor shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.

8.3 The Monitor shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.

8.4 Both the parties accept that the Monitor have the right to access all the documents relating to the project/procurement, including minutes of meetings.

8.5 As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the PRINCIPAL.

8.6 The APPLICANT(s) accepts that the Monitor has the right to access without restriction to all project documentation of the PRINCIPAL including that provided by the APPLICANT. The APPLICANT will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to sub-consultants. The Monitor shall be under contractual obligation to treat the information and documents of the APPLICANT/Subcontractor(s) with confidentiality.

8.7 The PRINCIPAL will provide to the Monitor sufficient information about all meetings among the parties related to the project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the Monitor the option to participate in such meetings.

8.8 The Monitor will submit a written report to the designated Authority of PRINCIPAL within 8 to 10 weeks from the date of reference or intimation to him by the PRINCIPAL / APPLICANT and, should the occasion arise, submit proposals for correcting problematic situations.

9. Facilitation of Investigation

9.1 In case of any allegation of violation of any provisions of this Pact or payment of commission, the PRINCIPAL or its authorized agencies shall be entitled to examine all the documents including the Books of Accounts of the APPLICANT and the APPLICANT shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

9.2 In the event of any dispute between the PRINCIPAL and APPLICANT where Integrity Pact is applicable, in case, both the parties are agreeable, they may try to settle dispute through mediation before the panel of IEMs in a time bound manner. In case, dispute remains unresolved even after mediation by the panel of IEMs, the PRINCIPAL may take further action as per terms and conditions of the contract.

9.3 Person signing the Integrity Pact shall not approach the Courts while representing the matter to IEMs and he/ she will await their decision in the matter.

10. Law and Place of Jurisdiction:

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the PRINCIPAL, i.e., Mumbai, India.

11. Other Legal Actions:

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

12. Validity

12.1 The validity of this Integrity Pact shall be from the date of its signing and extend upto 5 years or the complete execution of the contract to the satisfaction of both the PRINCIPAL and the APPLICANT, including warranty period, whichever is later. In case an APPLICANT is unsuccessful

in empanelment process, this Integrity Pact shall expire after six months from the date of its execution.

12.2 Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.

Undertaking in connection with

Payment of advance on materials consumed in ready to install parts delivered by the Contractor at the site

(On Non-Judicial Stamp Paper of appropriate value)

To,

The Regional Director

Reserve Bank of India

Estate Cell, Byculla

Dear Sir/Madam

Name of work: External Waterproof Painting and providing and fixing new uPVC pipelines (external) in place of old damaged GI and CI lines of G and H building at the Bank's Staff Quarters at Byculla, Mumbai

This undertaking made this _____ day of _____ by M/s _____
(Name of the Contractor) hereinafter referred as Contractor.

The Employer and the Contractor have entered into an Agreement dated _____ hereinafter called as the said Agreement and in terms of Clause No.07 in the General Conditions of Contract, the Employer has agreed at his discretion on the request of Contractor that the Contractor will be paid an advance of up to 75% of the cost of materials consumed in ready to install parts delivered by the Contractor to the site (hereinafter called as Material) for installation in the works.

The Contractors have applied to the Employer that they be allowed advances on the security of materials absolutely belonging to him and brought by him to the site of work. The Employer has agreed to do so on the terms and conditions hereinafter set out.

Now this letter of Undertaking witnesses that in consideration of the said Agreement, and in consideration of the amount paid/payable to the Contractors by the Employer and of any further advances as may be made to the Contractor as aforesaid, the Contractor hereby agrees with the Employer and undertake as under:

1. The amount advanced by the Employer to the Contractor as aforesaid and all or any further sum or sums advanced shall be employed by the Contractor in or towards expending the execution of the said Works and for no other purpose whatsoever.

2. That the materials which have been offered to and accepted by the Employer as security are absolutely the Contractor's own property and free from encumbrances of any kind and the Contractor will not make any application for or receive a further advance on the security of materials which are not absolutely his own property and not free from encumbrances of any kind and the Contractors indemnifies the Employer against all claims in respect of which an advance has been made to them as aforesaid.

3. That the materials on the security of which any further advance or advances may hereafter be made as aforesaid (hereinafter called the said Materials) shall be used by the Contractors solely in the execution of the said Works in accordance with the directions of the Bank's Engineer and in the terms of the said Agreement.

4. That the Contractor shall make at his own cost all necessary and adequate arrangement for the proper watch, safe custody and protection against all risk of the said Materials and that until used in installation as aforesaid, the said Materials shall remain at the site of the said Works in the Contractor's custody and on their own responsibility and shall at all times be open to inspection by the Bank's Engineers or any officer authorized by the Engineer-in-Charge.

In the event of the said Materials or any part thereof being stolen, destroyed or damaged, the Contractor will forthwith replace the same with other materials of like quality or repair and make good the same complete in all respect conforming to the specifications of Contract.

5. That the said materials shall not on any account be removed from the site of the said Works except with the written permission of the Engineer-in-Charge.

6. That the advances shall be repayable in full when or before the Contractors received payment from the Employer of the price payable to them for the said Works under the terms and the provisions of the said Agreement provided that if any intermediate payments are made to the Contractors on account of work done, then on the occasion of each such payment the Employer will be at liberty to make a recovery from the Contractor's bill for such payment by deducting therefrom the value of the said Materials the actually used in the construction and in respect of which recovery has not been made previously the value for this purpose being determined in respect of each description of materials at the rates at which the amounts of the advances made under these presents were calculated.

7. That if Contractor shall at any time make any default in the performance or observance in any respect of any of the terms and provisions of the said Agreement or of the presents, the total amount of the advance or advances that may still be owing to the Employer shall immediately on the happening of such default be repayable by the Contractor to the Employer together with interest thereon at twelve percent per annum from the date or respective dates of such advance or advances to the date of repayment and with all costs, charges, damages and expenses incurred by the Employer in or for the recovery thereof or the enforcement of this security or otherwise by reason of the default of the Contractor and the Contractor hereby covenants and agree with the Employer to repay and pay the same respectively to him accordingly.

8. That the Contractor hereby charges all the said Materials with the repayment to the Employer of the sum or sums, advances as aforesaid and all cost, charges, damages and expenses payable under these presents PROVIDED ALWAYS and it is hereby agreed and declared that notwithstanding anything in the said Agreement and without prejudice to the powers contained therein if and whenever the covenant for payment and repayment hereinbefore contained shall become enforceable and the money owing shall not be paid in accordance therewith, the Employer may at anytime thereafter adopt all or any of the following courses as he may deem best.

(a) Seize and utilize the said materials or any part thereof in the completion of the said Works on behalf of the Contractor in accordance with the provisions in that behalf contained in the said Agreement, debiting the Contractor with the actual cost of effecting such completion and the amount due in respect of advances under these presents and crediting the Contractor with the value of work done as if he had carried it out in accordance with the said Agreement and at the rates thereby provided. If the balance is against the Contractor, he is to pay same to the Employer on demand.

(b) Remove and sell by public auction the seized materials or any part thereof and out of the moneys arising from sale retain all the sums aforesaid repayable or payable to the Employer under these presents and pay over the surplus (if any) to the Contractor.

(c) Deduct all or any part of the money owing out of the security deposits or any sum due to the Contractor under the said Agreement.

9. That except in the event of such default on the part of the Contractor as aforesaid interest on the said Advance shall be payable.

10. That in the event on any conflict between the provisions of these presents and the said Agreement the provisions of these presents shall prevail and in the event of any dispute or difference arising over the construction of effect of these presents the settlement of which has not been hereinbefore expressly provided for, the same shall be referred to the Employer whose decision shall be final and no appeal shall lie against his decision before any court, arbitrator or authority.

11. The provision of this undertaking shall be deemed to be supplemental to the said Agreement.

IN WITNESS WHEREOF the Contractor have set their hands to these presents the day and year first hereinabove written.

2	<u>Structural Repairs to RCC members:</u>Treatment to in-build corroded/damaged reinforcement and replacing the damaged concrete surface with Polymer Modified Mortar (PMM) & finished with plaster: Providing and repairing/restoring the damaged various R.C.C structural members like columns, roof slabs, beams, lintels, sunshades, loft slabs or any other structural & non-structural members by providing structural repair treatment by treating the reinforcement and replacing the damaged concrete with polymer modified ready mix mortar and finally finishing the surface with ready mix plaster comprising of the following detailed specifications: i) Carefully dismantling and removing the loose/damaged plaster and concrete to expose the surface of the intact concrete and corroded reinforcement bars, using necessary tools, thoroughly cleaning the exposed surface of the concrete & reinforcements using wire brush with clean water, etc. complete and as directed.	150	SQM
	ii) Removal of rust of steel reinforcement: Providing & applying rust remover of approved make to clean reinforcement bars & allowing it to react for specified time and cleaning the reinforcement of total rust by tapping or using mechanical wire brush around the reinforcement bars to give it a totally rust free finished steel surface using suitable tools and equipment, etc. all complete and as directed by the Bank's Engineer.		
	The exposed and cleaned concrete surface shall be applied with corrosion inhibitor uniformly by brush / spray gun until the specified quantity of inhibitor is consumed per square meter area as per manufacturer's specification. Further, the application shall not be carried out when temperature is very high / humid / heavy wind for effective application. (to be removed)		

	iii) Rust preventing / Passivator coat on steel reinforcement: Providing and applying first coat of rust preventing Polymeric coating to steel bars of approved brand & make duly mixed with cement slurry in proportion 1: 1.25 by weight (Cement: chemical) or as specified by the manufacturer etc. complete and as directed.		
	iv) After required drying time, providing and applying second coat of similar rust preventive Polymeric coating to steel bars mixed in the same proportion with cement slurry all as specified above, etc. complete.		
	v) Bond coat on old concrete surfaces: Providing and applying as polymer cement bonding coat (PCBC – a coat of high-performance Acrylic Polymer) of the approved manufacturers duly mixed with cement slurry in ratio 1: 0.5 by weight or as per manufacture specification for the exposed concrete surfaces, etc. complete.		
	vi) Polymer Modified Ready-mixed Mortar (PMM) up to 20mm thick : Providing & applying “Polymer modified cement based high-performance ready-mix mortar” in layers up to 20 mm thick average by using 13 to 15 % water powder ratio or as per manufacture specification in layer not more than 12 mm , the mortar shall be hand pressed and shall built the section to the optimum dimension. Mortar shall be applied with the bond coat applied in (v) above is still in tacky condition roughing the surface to received top coat, curing the surface for 48 hours, etc. complete vii) Collecting the debris in gunny bags, stacking the same at identified locations/places and disposing out of the Bank's premises, etc. complete		
	viii) All complete done in workmanlike manner adhering to manufacturer's specifications and as directed by the Bank's Engineer. Note: a) (Mode of measurement: concrete surface area with exposed reinforcement). Only net treated area shall be considered for measurements. The measurements shall be recorded & signed jointly immediately after the completion of work. b) The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1		
3	<u>Do as item No.2 for additional thickness of 15 mm -20mm.</u> Extra over item no.2 above for providing and treating the surface with extra/additional 15mm to 20 mm thick polymer modified mortar to be done complete in workmanlike manner and as directed by the Bank's Engineer. Note: (a) Only the net treated area shall be considered for measurement. (b) The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1	75	SQM

4	Providing & Applying External Waterproof Plaster using Factory made ready mixed polymer-based cement mortar plaster to Walls/Concrete/RCC surfaces: - i) Carefully dismantling and removing the existing loose / damaged plaster of any thickness on the external/internal common area surfaces of walls at all levels / floors, mummy rooms etc. complete. ii) Applying cement slurry admixed with the water proofing compound of approved make over the exposed brick walls /concrete/ RCC surfaces. iii) Providing and rendering the prepared surfaces with new double coat "Sand faced cement plaster" of required thickness (minimum 20mm thick) i.e matching with the adjoining surfaces in two layers by using factory-made ready-mix polymer based cement water proof plaster of approved make or approved equivalent.	800	SQM
	a) The base coat of minimum 15 mm thickness using approved ready mixed polymer modified mortar plaster at proper plumb, level & line including making the plaster surface rough to receive the top finish coat, allowing the surface for curing for minimum 7 days.b) Applying top/ finish coat plaster of minimum 8 mm thickness/required thickness to match with adjoining surface with similar ready mix polymer cement mortar plaster finishing in perfect plumb, line & level so as to obtain fine sand grain finish by using branded approved variety sponge or using mechanical devise including polypropylene nets on the frame/ masonry junctions of above 200 mm wide to entire length with proper anchoring/ applying cement slurry etc. which shall be measured separately, doing regular curing for minimum 7 days.		
	iv) Collecting the debris in gunny bags and stacking the same at identified locations/places and disposing out of the Bank's premises, etc. complete. v) All complete done in workmanlike manner and as directed by the Bank's Engineer. Note: (a)The mode of measurement shall be followed as stipulated in IS: 1200. No extra/ additional payment will be made for extra thickness i.e. above 20 mm of plaster. (b) The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1 (waterproofing guarantee to be obtained)		
5	Synthetic Enamel Paint over a coat of suitable metal/wood primer after due preparation of surface to existing G.I pipes, exposed C.I/A.C soil/ wastewater/ rainwater/vent lines, etc. Providing and applying two or more coats of different varieties of paint over a coat of suitable primer after due preparation of surface like Synthetic Enamel paint / French polishing / 100 % Acrylic emulsion elastomeric paint as required on various miscellaneous exposed items of work like, external services, existing G.I pipes, exposed C.I/A.C soil/ waste water/ rainwater/vent lines over the terrace area, in vertical shaft and on external wall surface, manhole chamber covers of all around		

	the G & H buildings like gully traps, inspection chambers, sewer man holes, storm water chambers & cover grills, OH tank covers, M.S ladders to Overhead tanks, electrical switch boards, hand rails of fire escape staircase, etc. including suitably preparing the surfaces as per the specifications prescribed including doing work at all heights and lifts, etc. all complete done in workmanlike manner as directed by the Bank's Engineer. <u>Note: The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1</u>		
A)	Building No. "G" consisting of G. Floor + 5 upper floors+ Mumty /Staircase cum Lift Head Rooms, Approximate area is 100 Sqm. Per building	1	Per Building
B)	Building No." H" consisting of G. Floor + 6 upper floors + Mumty /Staircase cum Lift Head Rooms, Approximate area is 125 Sqm. Per building	1	Per Building
6	Providing & Applying 100 % Acrylic emulsion elastomeric (stretchable) external variety decorative paint over a coat of Waterproofing priming/ base coat: In combination of 1 (+) 2 or more coats. Providing and applying 2 or more coats of 100 % Acrylic emulsion elastomeric (stretchable) external variety decorative paint over a coat of a suitable waterproofing priming/base coat of approved make of paint in combination of 1 (+) 2 or more coats paints of approved make, all as per the technical specifications of manufacturer and following general specifications: a) Surface Preparation: i)Thoroughly cleaning the exposed surface with water. ii) Treating all the surface cracks by opening the same in "V" groove shape by mechanical means. Providing and filling the cracks up to 5 mm width with approved make acrylic base crack filler. iii) Sealing the cracks which are more than 5 mm and also all the separation gaps of window jambs lining of granite & plastered surface with approved make URP modified mortar.		
	b) Priming / base waterproofing coat:i) Providing and applying a priming or base coat of specific waterproof variety of approved brand over the prepared surface all as per the manufacturer's specifications. c) Two or more coats of decorative external 100% elastomeric variety paint in top coat:i) Providing and applying two or more coats of decorative exterior variety 100% elastomeric paint in combination of two or more shades in light and dark pattern/shades over the base coat all as per the manufacturer's specifications, etc. complete and as directed.All completely work done in workmanlike manner and as per manufacturer's specifications and as per the instructions of Bank's engineer. (waterproofing guarantee to be obtained)		

	d) The rate shall suitably include for the following: - i) All tools & tackles/plants and to work at all leads & heights. ii) Thoroughly cleaning the ground surface and ensure complete stain free. iii) The coverage of entire paint components shall be strictly maintained as specified by the paint manufacturer or more than that specified depending upon the surface condition, maintaining shade uniformity, etc. iv) Accordingly, the paint/primer(basecoat) consumption register shall be maintained on day-to-day basis and the same shall be counter signed from the department regularly. Also, the overall consumption statement of painting material shall be certified by the representative of paint manufacturer. Note: (a) The respective varieties of paints of reputed manufacturers are specified in tender in the list of approved materials. The Bank may approve one of them and the same shall only be allowed for application. The contractors shall access their rate accordingly before quoting the rate. (b) The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1(waterproofing guarantee to be obtained)

8	Soil, waste and rain water UPVC Pipes		

	Dismantling of existing CI/GI lines: carefully dismantling the existing CI/GI lines including clamps, screws nail etc. without damaging the structure i.e. walls/columns, stacking the material properly at designated location, rectifying the damages to wall, columns by doing necessary repairs using ready mix mortar or polymer repair, finishing the surface in level and pattern with existing surface as instructed by Bank's engineer. Providing and fixing uPVC pipe: Providing and fixing uPVC pipes type B of required size confirming to IS 13592 fixed on wall including all necessary fittings confirming to IS 14735 such as T with door cap, bends, door bends, rubber sealing rings and heavy duty MS/GI pipe clamps and solvents confirming to IS 14182 etc. complete, following detailed specification as below. Soil, waste and rain water UPVC Pipes shall conform to Type B pipes of IS 13592. The internal and external surfaces of the pipes shall be smooth and clean and free from grooving and other defects. The end shall be clearly cut and shall be square with the axis of the pipe. The end may be chamfered on the plain sides. Slight shallow longitudinal grooves or irregularities in the wall thickness shall be permissible provided the wall thickness remains within the permissible limit. Colour of Pipe Surface colour of the pipes shall be as approved by Engineer-in-charge . Marking Each pipe shall be clearly and indelibly marked with the following information's at intervals not more than 3 meter. (a)Manufacturer's name or trademark. (b)Nominal outside dia. of pipe. (c)'Type 'B' (d)Batch number. Dimensions Diameter and Wall Thickness: Mean outside diameter, outside diameter at any point and wall thickness for type –B manufactured plain or with socket shall be as given in Table- 1 of IS 13592. UPVC soil, waste, rain water pipes shall be of the dia, specified in the description of the item and shall be in nominal lengths of 2,3,4 or 6 meters either plain or with sliding/grooved socket unless shorter lengths are required at junctions with fittings. Tolerances on specified length shall be + 10 mm and – 0 mm. Fixing and Jointing Pipes shall be secured to the walls at all joints with Pipes clamped (MS/GI) fixed to wall / column screwed with M.S. screws of required length. The clamp shall be kept about 50 mm clear off finished face of wall, so as to facilitate cleaning of pipes. Pipes shall be fixed perfectly vertical or to the lines as directed. The pipes shall be fitted to fittings with seal ring conforming to IS 5382 allowing 10 mm gap for thermal

	expansion. Maximum spacing of clamps shall not be more than 1.2 meters. Installation in Wall/Concrete The walls/concrete slots should allow for a stress-free installation. Pipes and fittings to be inserted into the slots without a cement base have to be applied first with a thin coat of PVC solvent cement followed by sprinkling of dry sand (medium size). Allow it to dry. The process gives a sound base for cement fixation. This process is repeated while joining PVC material to CI/AC materials or by installing new PVC material. Fittings used shall be of the same make as that of the PVC pipes Injection moulded or fabricated by the manufacturer and shall have a minimum wall thickness of 3.2 mm. The fittings shall be supplied with grooved socketed ends with square grooves and provided with Rubber Gasket conforming to IS 5382. The plain ends of the fittings should be chamfered. The fittings shall be joined with the help of Rubber lubricant. The details of fittings refer IS 13592. All joints shall be produce a 100% water tight joint. CUTTING HOLES IN R.C.C. FLOORS/chasing brick masonry walls Square holes of size as specified shall be cut in R.C.C. floor and roofs for passing drain pipe etc. Any damage to the adjoining portion or to any other item shall be made good as directed by the Engineer-in-Charge. After insertion of drain pipe etc. the hole shall be repaired with cement concrete M20 grade and the surface finished to match with the existing surface. The top and bottom shall be finished properly to make the joint leak proof. All the dismantled material shall be removed from the site. NOTE: The rate shall be inclusive of all materials, labours , all leads and lifts, transportation etc. Note: The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1

9	Providing and fixing uPVC pipes for downtake and loop line		
	Providing and fixing Unplasticized Polyvinyl Chloride (uPVC) pipes conforming to Schedule 80, including all uPVC fittings.		

	The rates shall include dismantling of existing pipes, stacking and disposal of the same from the premises. The rate includes jointing of pipes & fittings, brass fittings wherever required with one step uPVC solvent cement, clamping, trenching, refilling & testing of joints complete as per direction of Engineer in Charge. NOTE: The rate shall be inclusive of all materials, labours ,all leads and lifts, transportation etc. charges for scaffolding are included in the tender item no. 1 above and shall be paid separately for this item.

10	Sunshade / Chajja Waterproofing:		
	i) Carefully removing the existing top layer of plaster finish and adjoining watta from sunshade / chajja at directed location by using only chisel and hammer, cleaning the surface thoroughly, stacking and disposing the debris out of the Bank's premises. ii) Providing and applying approved bond coat over the exposed surface. iii) Providing and applying minimum 20 mm thick ready mix polymer modified cement plaster on top and continue the same over the adjoining watta junction, which shall be formed with brick bat laid in ready mixed mortar of approved make mixed with waterproofing chemical/ compound of approved make (as per the manufacturer's Specifications) laid in proper slope including making top line nozing (drip cap) Including water curing for at least 7 days, finishing top with neat cement paste mixed with W.P. chemical, marking with false square all complete done in workmanlike manner, and as directed by the Bank's Engineer. Note: a) Mode of measurement: Only plan area shall be considered for measurement and no rounding or watta shall be measured separately. b) The rate shall be EXCLUDING of scaffolding which is already considered to be measured and paid under item No.1 c) The waterproofing products shall be allowed only of Bank's approved brand selected from the list of approved materials. (waterproofing guarantee to be obtained)	400	Sqm
11	Rebate		
	The scope of rebate item shall involve cost of all old replaced salvageable material like GI, CI, PVC, uPVC pipes/fittings etc. which are removed under item no. 8 & 9 above and considering		

	cost for salvaged materials. The contractor shall segregate and account for salvage materials and ensure proper disposal of non-reusable waste from colony's premises in compliance with Municipal guidelines etc. all complete as directed by Bank's Engineer all complete.
